Applications: Bittinger, Marvin L ...Calculus and Its Applications

has, for years, been a best-selling text for one simple reason: it

anticipates, then meets the needs of today's applied calculus

student. Knowing that calculus is a course in which students

typically struggle--both with algebra skills and visualizing new

calculus concepts--Bittinger and Ellenbogen speak to students in

a way they understand, taking great pains to provide clear and

careful explanations.Calculus and Its Applications (9th Edition):

Bittinger ...We like Marv Bittinger's books because they provide a

nice balance of applications and connections without losing sight

of the math. We continue to use this out-of-date book because it

is more readable than most Calculus texts and strikes a nice

balance between the rigor of the math and applications that help

students to feel a connection to ...Calculus and Its Applications
