What Start Bad a Mornin' Peter Lang Shirley Miles O'Donnol provides both illustrations and written descriptions of styles worn in everyday life and suggests ways of adapting them to stage use. Her animated and informative text gives an overview of social trends as well as insight into the fashions themselves. Since women's fashions change more frequently and more radically than men's, the

chapters follow the eras in women's apparel: "The First World War," "The Flaming Twenties," "The Depressed Thirties," "The Second World War," "The Postwar Era and the 'New Look,'" "The Late Fifties: Dawn of the Space Age," and "The Sixties: Unisex and Miniskirts." Lavishly illustrated with original drawings by the author, photographs of costumes now in museum collections, and drawings and photographs taken from fashion magazines spanning more than fifty years, *American Costume, 1915-1970* is a practical -- and entertaining -- handbook for the stage costumer.

Sechs Mädchen gehören zur »Brodie-Clique«, deren Leben und Phantasien über Jahre von der Lehrerin beherrscht werden, und eine von ihnen wird Miss Brodie verraten. "Drawing on archival research, oral history interviews, and participant observation, this examination of the adoption and adaptation of Mod style across geographic space also maps its various interpretations over time, from the early 1960s to the present. The book traces the Mod youth culture from its genesis in the dimly lit clubs of London's Soho. where it began as a way for young people to reconfigure modernity after the chaos of World War II, to its contemporary, country-specific expressions. By examining Mod culture in the United States, Germany, and Japan alongside the United Kingdom, "We Are the Mods" contrasts the postwar development of Mod in those countries that lost the war with those that won. The book illuminates the culture's fashion, music, iconography, and gender aesthetics, to create a compelling portrait of a transnational subculture." --Book Jacket.

Painted with Thread is the catalogue accompaniment to the exhibition of the same name at the Peabody Essex Museum in Salem, Massachusetts. This richly illustrated book emphasizes the art inherent in embroidery and contextualizes the examples within aesthetic movements. The objects and designs are myriad: "pictorial embroidery," wool and cotton sailor's pants embroidered with a running whorl stitch resembling tattoo art. Winding vines of flowers in full-bloom rendered to near botanical precision. Samplers sewn by schoolgirls, table covers, fire screens, valances as domestic artifacts with a resonance far beyond the home and the homespun. Painted with Thread presents a breathtaking array of historic American needlework.

This annotated reference provides information on the copyright status of over 20,000 features, short films, television programs, and documentaries. The United States copyright system allows a film to fall into the public domain if a renewal is not filed in the twenty-eighth year after its release. Such public domain films may be used by anyone for free, but finding out which films are or are not still under copyright can be expensive and tedious. This guide alleviates that expense and drudgery by including all motion pictures registered for copyright in the 1950s, as well as 500 that were received after 1959. The book also includes an overview of the copyright system and sample certificates. All renewals of copyrights are noted, allowing readers to clearly see which items are or are not in the public domain.

"What start bad a mornin', cyan end good a evenin'." — Jamaican proverb. Amaya Lin has few memories of the years before she turned eighteen. Now in her forties, she has compensated by carefully cultivating a satisfying life as a wife,

mother, and business professional. Her husband's law practice is on the brink of major success; her neurodiverse son has grown into an independent adult; and she has come to terms with her aunt's dementia. This sense of order is disrupted, however, when she encounters a stranger who claims to have an impossible connection, launching Amaya on a tumultuous journey into the past. Using three interwoven narratives spanning the United States, Trinidad, and Jamaica, Carol Mitchell's debut gives voice to an immigrant woman forced to confront her repressed memories of violent trauma. Only then can she discover what she is capable of when it comes to self-preservation and the protection of her family.
