In today's highly competitive world with ever expanding boundaries of knowledge, if you want to find a success mantra, then it has to be - 'know the right thing at the right time, make right use of it in just the right words.' Everybody has his own bank of knowledge; some have more than others, but, does it serve any purpose if you don't know how to use your knowledge well. Disha's 'Mission IAS' is acclaimed as one of the most authoritative and comprehensive books of high-quality reference materials to cater to aspirants of IAS exams. Main features of the book are --

- Exclusively designed to cater to the aspirants of IAS.
- Covers exam patterns of CSAT (Prelims & Main - English, GS & optional subjects) as well as Interview.
- Covers service profile -- recruitment, training, functions, promotions, designations, remunerations of 'All India Ser-vices' & 'Central Civil Service' -Group 'A' & 'B' under UPSC -- Civil Service Exams like IAS, IPS, IFS, IRS, etc.
- Infographics, bar charts and data in tabular form facilitating information

quickly and clearly.

- Features interviews of IAS 2015 toppers, including Tina Dabi, Rank-1, and their tips & strategies for prospective IAS aspirants.
- Language is lucid making problem-solving fun to candidates of diverse backgrounds.
- Keeping the whole coverage of the book in accordance with the syllabus and pattern of the exam, it will act as a standard reference and preparation material for all the needs of aspirants of CSAT.
- Preparation material is in line with the analysis of Previous Years' Exams Papers which will help aspirants know the trend of the questions and the difficulty level of the same.

This Assassin's Creed Odyssey strategy guide is packed with information that will help you be the best in defeating your enemies and beating the game. The numerous tables with data, pictures

and explanations about the gameplay are the thing that will help you learn how to play very fast and very good. As expected of this Assassin's Creed Odyssey game guide, it starts with a very detailed walkthrough of all quests of the game. The information is thorough and built to be easily read so that you can find anything you need with ease. It is easy to follow and shows all the tiny details of the actions you need to make to achieve your objectives. Following the main quests, the Assassin's Creed Odyssey Side quests, being just as many and as important to all the hardcore gamers, are reviewed in great extent, as thoroughly as the main quests. You will find here all the information you need to be able to complete every quest available in the game. Of course, this guide is complete with the much needed instructions on the Abilities you can have with your character, as well as all the armor sets, weapons and even legendary weapons. Even more in this Assassin's Creed Odyssey game guide we go through what we consider to be the best weapons in the game. All those will prepare you and

your character for any obstacles ahead. To top all of this vast information we have gone another step further and expanded the game guide with info about engravings, fighting mercenaries, hunting cultists, how to win conquest battles and much much more detailed information that goes through these elements of the game very thoroughly. This includes even The broken spear of Leonidas, covers all the different endings of the game and even includes tips on how to get the Atlantis ending! For the people that need to learn how to play the game faster we have included Beginner's Tips, which include combat, survival and many more tips. Also for those who are interested there is a part dedicated to stealth gameplay tips. The game guide does not end here, you get even more information on how to better play Assassin's Creed Odyssey. So grab your book today and start playing like a god.

Regardless of what society tells us, we were created to be totally dependent upon God

physically, emotionally, and spiritually. The problem is we have put ourselves at the center of our lives and moved God out to the periphery as we try to satisfy all of our desires and ambitions. Only after life begins to "hit the fan" do we realize that "something" is missing. Unfortunately, as powerless human beings we continue to substitute the yearning in our hearts for spiritual and emotional needs with the acquisition of worldly possessions. However, the gnawing emptiness within not only remains, it turns us numb as we continue our search for more of life's gusto. Developing physical, emotional, and spiritual reflex responses is critical to a purpose filled life. To those who feel there is a more fulfilling way to live, let these tips be your playbook for both games. A former golf professional and golf coach, Bill Carlucci resides in Connecticut with his wife Maria of 30 years and two daughters Emily, 24 and Leah, 18. He has played a strong role with the Chamber of Commerce and the Southwest Area (CT) Commerce and Industry Association. He is a past member of the Board of Directors of both Stamford Hospice and the

Stamford Youth Foundation. Bill received training in Christian Care-giving, Christ Care Small Group Leadership and as a Prison Fellowship volunteer. He is both a licensed and ordained member of the clergy Bill's ministry is to train people of all ages to manage life using the same mental focus and strategies used in golf. The ministry uses the unifying relationship building opportunities golf provides to break down denominational and racial walls currently standing in the way of unity among Christians. Fundamentals and Techniques of Motion Design M-Y Books Limited Rigging for Games: A Primer for Technical Artists Using Maya and Python is not just another step-by-step manual of loosely related tutorials. Using characters from the video game Tin, it takes you through the real-world creative and technical process of rigging characters for video games and cinematics, allowing readers a complete inside look at a single project. You'll explore new ways to write scripts and create modular rigs using Maya and Python, and automate and speed up the rigging

process in your creative pipeline. Finally, you'll learn the most efficient ways of exporting your rigs into the popular game engine Unity. This is the practical, start-to-finish rigging primer you've been waiting for! Enhance your skillset by learning how to efficiently rig characters using techniques applicable to both games and cinematics Keep up with all the action with behind-the-scenes images and code scripts Refine your rigging skills with tutorials and project files available on the companion website *Screenwriting Tips, You Hack* Boone and Crockett Club God of Battles is a tabletop fantasy battle game in which players command armies of model soldiers to fight against each other across Aren's troubled lands. I've tried to produce a game that is easy to learn and quick and fun to play, but which offers many tactical options and rewards players' skill. If you are new to all this, I've included some hints and tips throughout the book to help get you started. Have a look at the Scenario section as there's a piece in there about playing your first game, which should point

you in the right direction. If you have played tabletop battle games before, you will find some new ideas and a few unusual concepts in this one. They are no more complicated than in other games, less so in fact, they're just different. Have a game or two with only the Main Force part of your armies to get the hang of it and see what you think. It's hard to judge any game from a quick skim through the rules. Let it come alive on the tabletop! Above all, with *God of Battles I* designed the type of tabletop battle rules that I always wanted to play, where a group of friends could have a fun and characterful game that tells a good story. I hope you get as many hours of enjoyment from it as I have!
