So Lyman has a reputation as being the best and most complete reloading manuals in the business, and I'm sure the data is top notch. I bought this manual because my Hornady and Nosler manuals don't cover two of my cartridges.

Amazon.com: Lyman Cast Bullet Handbook 4Th Edition: Thomas ...I have an older Colt with a decent barrel that will accept my cast loads, but a Dan Wesson with a Match chamber that's too tight for most rounds. Switching to a .451" (from a .452") bullet would probably make it work, but I just never got around to trying.

Reloading 45 ACP with Cast Bullets | Northwest Firearms ...Take Aim at Rifle Reloading Data. Find what you need in four easy steps. Select your cartridge type from the drop-down list. Then select your bullet weight, powder manufacturer and powder type. If you're unsure, or just want options, check as many

boxes as you'd like. Click "Get Data" to view results. .35 Whelen <load data> ... with a well-earned reputation as a serious hunter's load.
