FITZPATRICK HINTON

BeagleBoard Goes High-End and Industrial: Co-Founder/Developer
 Beaglebone Robotic Projects If your interest lies with robotics ... with the BeagleBone Black in mind. This build isn't fully DIY, as the mecanum wheels appear to be off-the-shelf items, but the rest of the project makes ... A 3D-Printable Mecanum Wheeled Robot Platform If your interest lies with robotics ... with the BeagleBone Black in mind. This build isn't fully DIY, as the mecanum wheels appear to be off-the-shelf items, but the rest of the project makes ... Robots Hacks The BeagleBone is a low-cost version of the original ... He's also a book author, writing DIY project books on electronics and robotics technologies. His latest book, *Make: Basic Arduino Projects*, ... BeagleBoard Goes High-End and Industrial: Co-Founder/Developer He's worked on industrial robotics systems, automotive electronic modules/systems, and embedded wireless controls for small consumer appliances. He's also a book author, writing DIY project books on ... New Embedded Development Board:

Cute Name, High-End Features, Maker Price Embedded Controllers - Wall Following Robot. This project concentrates on using the Motorola HC12 embedded controller to guide a Wall Following Robot through an unknown maze. The robot navigates ... Electrical and Computer Engineering LG divides its SmartThinQ line of connected appliances into categories for the kitchen (ranges and refrigerators), living (washers, dryers, robotic vacuums and air ... that can meet the demands of ... 85 Top IoT Devices Support from the National Science Foundation, Army Research Office, Air Force Office of Scientific Research, Defense Advanced Research Projects Agency, and Naval Air Development Center over the years ... Chapter 1.5 - Liquid Crystal Cells and Sample Preparation Support from the National Science Foundation, Army Research Office, Air Force Office of Scientific Research, Defense Advanced Research Projects Agency, and Naval Air Development Center over the years ... Chapter 8 - Laser-Induced Orientational Optical Nonlinearities in Liquid Crystals Embedded Controllers - Wall Following Robot. This project concentrates on using the Motorola HC12 embedded controller to guide a Wall Following Robot through an

unknown maze. The robot navigates ...
