"Glencoe Accounting is a comprehensive introduction to accounting principles for students who are considering a career in accounting, finance, or entrepreneurship. Glencoe Accounting makes abstract accounting principles concrete and accessible through a highly visual, step-by-step approach to analyzing transactions and accounting processes. Using this highly structured and visual analysis helps students internalize the habits of good accounting and understand the reasons behind accounting rules and procedures. The program covers the basics of the accounting cycle, business transactions and how to record them, posting journal entries to general ledger accounts, the six-column worksheet, financial statements, payroll and banking

activities, cash funds and inventories, and partnerships and ethics"--Publisher.

*Studyguide for International Accounting, Volume 2 Chapter 13-21* by Spiceland Wiley

Weygandt's Accounting Principles introduces challenging accounting concepts with examples that are familiar to accountants. The new edition has been updated with the latest IFRS/IASB standards. Additional coverage is included on foreign currency translation and LCM. More discussions focus on risk management as a result of the financial crisis. The examples also emphasize current examples in order to help accountants make the connection to their everyday lives.

*Study Guide/Demonstration Problems, Chapters 1-13* Wiley  
Focus your study time with comprehensive accounting review Study Guide Volume 1 to accompany Accounting: Tools for Business Decision Makers, 5th Edition is an invaluable companion to the text. Covering the first 13 chapters, Volume 1 provides comprehensive review that facilitates information retention. Each chapter includes a brief overview and a lesson-by-lesson review of key points and major topics, followed by an extensive self-test that helps you gauge your level of understanding and ability to apply what you have learned. Versatile enough to use with any text, this study guide provides accounting students with a truly useful resource for learning.
