The Real History of Baseball Revell

All's faire in love and war for two sworn enemies who indulge in a harmless flirtation in a laugh-out-loud rom-com from debut author Jen DeLuca. Emily knew there would be strings attached when she relocated to the small town of Willow Creek, Maryland, for the summer to help her sister recover from an accident, but who could anticipate getting roped into volunteering for the local Renaissance Faire alongside her teenaged niece? Or that the irritating and inscrutable schoolteacher in charge of the volunteers would be so annoying that she finds it impossible to stop thinking about him? The faire is Simon's family legacy and from the start

he makes clear he doesn't have time for Emily's lighthearted approach to life, her oddball Shakespeare conspiracy theories, or her endless suggestions for new acts to shake things up. Yet on the faire grounds he becomes a different person, flirting freely with Emily when she's in her revealing wench's costume. But is this attraction real, or just part of the characters they're portraying? This summer was only ever supposed to be a pit stop on the way to somewhere else for Emily, but soon she can't seem to shake the fantasy of establishing something more with Simon or a permanent home of her own in Willow Creek.

Doing What Others Say Can't Be Done Penguin Get Over Yourself!

Jennifer Beckham Chosen to play the coveted role of "Disney Princess," author Jennifer Beckham knew she would find the acceptance and love she had been searching for all her life waiting there on top of that float, inside that magical carriage. Boy was she wrong! God wanted her to address a crippling tendency shared by many women—to get so stuck in the pain, the misery, and the heartaches of life that they never fully move on and into the purposes of God. In *Get Over Yourself*, seven practical principles serve as your roadmap to get over your "self-issues" and into a life free from shame, regret, anger, and insecurity. You can: • Get over the fickle feelings that hinder your faith. • Get over insecurity and self-doubt that steals your

freedom. • Get over guilt, regret, and shame that plagues your life. • Get over the lingering pain of your past that keeps you hurting. • Get over negative belief systems that influence destructive behavior. • Get over debilitating thoughts that rule your life and wreck your day. • Get over your lack of fulfillment and find purpose. "The ultimate chronicle of the games behind the game."—The New York Times Book Review

Baseball has always inspired rhapsodic elegies on the glory of man and golden memories of wonderful times. But what you see on the field is only half the game. In this fascinating, colorful chronicle—based on hundreds of interviews and years of research and digging—John Helyar brings to vivid life the extraordinary people and dramatic events that shaped America's favorite pastime, from the dead-ball days at the turn of the century through the great strike of 1994.

Witness zealous Judge Landis banish eight players, including Shoeless Joe Jackson, after the infamous "Black Sox" scandal; the flamboyant A's owner Charlie Finley wheel and deal his star players, Vida Blue and Rollie Fingers, like a deck of cards; the hysterical bidding war of coveted free agent Catfish Hunter; the chain-smoking romantic, A. Bartlett Giamatti, locking horns with Pete Rose during his gambling days of summer; and much more. Praise for *The Lords of the Realm* "A must-read for baseball fans . . . reads like a suspense novel."—Kirkus Reviews
