Syncopation Companion Alfred Music Publishing

George Lawrence Stone's *Stick Control* is the original classic, often called the bible of drumming. In 1993, *Modern Drummer* magazine named it one of the top 25 drumming books of all-time. In the words of the author, this is the ideal book for improving "control, speed, flexibility, touch, rhythm, lightness, delicacy, power, endurance, preciseness of execution, and muscular coordination," with extra attention given to the development of the weak hand. This indispensable book for drummers of all types includes hundreds of basic to advanced rhythms and moves through categories of single-beat combinations, triplets, short roll combinations, flam beats, flam triplets and dotted notes, and short roll progressions.

Full Drum Set Studies for the Modern Drummer Alfred Music

A professional rhythm workbook researched from commercially released records as played by today's top studio drummers. The styles covered include commercial funk rhythms, reggae (authentic and funk), unusual time signatures, funk sambas, southern funk beats, and fusion funk.

Alfred Music

Voted second on *Modern Drummer's* list of 25 Greatest Drum Books in 1993, *Progressive Steps to Syncopation for the Modern Drummer* is one of the most versatile and practical works ever written for drums. Created exclusively to address syncopation, it has earned its place as a standard tool for teaching beginning drummers syncopation and strengthening reading skills. This book includes many accented eighths, dotted eighths and sixteenths, eighth-note triplets and sixteenth notes for extended solos. In addition, teachers can develop many of their own examples from it.

Essential Techniques for Drum Set Alfred Music Publishing

(Percussion). This beginning- to intermediate-level book contains hundreds of practical, usable beats and fills. It teaches how to apply a variety of patterns and grooves to the actual performance of songs. The audio includes demos and 14 play-along tracks covering rock, blues and pop styles, with detailed instructions on how to create exciting, solid drum parts. It's the most realistic and fun! way to learn drums.

Basic Rhythms for the Club-Date Drummer Alfred Music Publishing

George Lawrence Stone's *Accents and Rebounds*, the follow-up to the classic *Stick Control*, builds on the basics with accent routines and more advanced rhythms to improve the player's finesse and control. This book includes sections on accented eighths, dotted notes, and triplets, as well as rebound control and more. If you are a fan of *Stick Control*, then this method supplies the perfect next step for your practice routine. This updated

edition adds Joe Morello's legendary arrow notation to help students incorporate the motions of the Moeller technique.

(Fast Track Music Instruction). The FastTrack method series is a fresh, user-friendly approach to learning with a method book which blends traditional lessons and songs with modern elements of humor, wit, and pop culture. Each book includes play-along audio tracks plus songs that are the same in all the FastTrack books so that friends can form a band and jam together.

Basix Syncopation for Drums Modern Drummer

Proficiency as a drummer has always come from great hand dexterity. However, with the introduction of modern drumming techniques, it has become increasingly necessary to gain complete independence of both the hands and feet. With various rhythmic exercises in easy-to-read notation, 4-Way Coordination is designed to guide the drummer from simple patterns to advanced polyrhythms. Through the study of this method book, the student will gain invaluable listening skills and techniques that will provide insight to drumming in all styles.

Progressive Steps to Syncopation for the Modern Drummer Alfred Music

A comprehensive method that first teaches music reading, then explores many of the most common syncopated rhythms of modern popular music. Includes practice tips, rhythm exercises, beginning music theory, and a CD demonstrating all the examples in the book. 64 pages.

The New Breed Alfred Music

Their ancestors may have been cargo in the slave ships that arrived in Charleston, S.C. Today, the scale has been rebalanced: black longshoremen run the port's cargo operation. They are members of the International Longshoremen's Association, a powerful labor union, and Kenny Riley is the charismatic leader of the Charleston local. Riley combines commitment to the civil rights movement with the practicality to ensure that Charleston remains a principal East Coast port. He emerged on the international stage in 2000, rallying union members worldwide to the defense of "The Charleston Five," longshoremen arrested after a confrontation with police turned violent. This is Riley's story as well as a behind-the-scenes look at organized black labor in a Deep South port.

For the Snare Drummer Alfred Music

16th note possibilities takes you on a rhythmical journey. There are 16 phases which incorporate 6 hands exercises, 14 groove and independence exercises, 5 solos and some philosophy on drums and life. Once you have run through Phase 1, continue to Phase 2, where you will go to the 2nd page of Section A. You will now begin a similar process but a totally different experience because you will be reading different (melodies, rhythms, and accents) from Section A. After achieving this, and going through all 16 Phases, you will then have the coordination, musicianship and speed to play anything you think, feel and desire! Most of all, be patient with yourself, be creative and have fun Exploring the Possibilities!!!

Studio Funk Drumming Alfred Music

Developed to increase the speed and ease of getting around the drumset using rudiments as the foundation. The cross sticking and drum-to-drum patterns used in this book will increase the student's coordination skills, familiarity of the drumset, and soloing vocabulary. An exceptional way to

incorporate rudiments into the drumset performer's practice routine.

For the Snare Drummer Centerstream Pub

The purpose of this book is to take rhythmic figures, originally learned on the snare drum, and apply them to the drumset. In doing this, the student is introduced to several cross sticking and drum-to-drum patterns using eighth, triplet and sixteenth notes. This approach to the drumset is an excellent way to develop the coordination and speed of getting around the drums with ease, while also helping with soloing.

Understanding Rhythm Drum Center Publications
