Intercession is an essential element of both public and private prayer. Using the Book of Common Prayer and the major elements of the Prayers of the People, Plater explains the construction of everyday litanies, collects, and petitionary prayers, as well as the composition of intercessions for church seasons, holy days, and special occasions. Plater begins by looking at the roots of intercession in the Bible, history, and

ancient belief and practice, and goes on to offer practical advice for creating corporate intercessions in the local community. Intercession is a useful aid for liturgical study and planning for priests, pastors, deacons, lay ministers, and worship committees. Small prayer and intercessory groups will find it helpful for free-form prayer that is creative and flexible, yet grounded in prayerbook principles.

A brand is a specific image that establishes and attracts loyalty. A brand is a unique design, sign symbol, group of

words, or a combination of these, employed in creating an image that identifies a product and differentiates it from its competitors. Over time, this image becomes associated with a level of credibility, quality, and satisfaction in the consumers minds. A brand is a product that tells us the source of the product. A brand is the name given to a product from a specific source. This word was given to me by God. He said to me, You are a brand. I called you to establish

prayer that attracts people, and as I manifest the answers, the people will become loyal to me [God].

Prayer is not just talking to God, but it involves

listening also. Prayer is communication, and a one-way conversation does not last long. When you pray, expect God to speak to you. Most often He will do this through His written Word or by a "still small voice" that seems to "speak" to your heart. Prophetic intercession training manual will take you on a deeper path to intercessory prayer.
