Bridget Thorsdottir is a  
seventeen-year-old girl  
living during the waning  
days of the Norse colony  
in Greenland in the year  
1501. At the brink of an  
age of discovery, her  
colony has been taken  
over by a new bishop who

turned the people's farms  
into a more lucrative  
fishing village. The lone  
voice of opposition in this  
sea of change is Bridget's  
own father, Thor, whose  
stubborn adherence to his  
farm makes it harder and  
harder for him to pay the  
rising taxes owed to the  
bishop. When Thor  
refuses to give up his  
ways and leave the family  
home, Bridget realizes  
that it is up to her to

make the dangerous journey to the New World in order to establish a new life for herself and her family.

BONUS: This edition

contains a *The Devil's Company* discussion guide. From the acclaimed and bestselling author of *The Whiskey Rebels* and *A Conspiracy of Paper* comes a stunning new thriller set in the splendor and squalor of eighteenth-century London. The year is 1722. Ruffian for hire and master of disguise Benjamin Weaver finds himself pitted against a mysterious mastermind who holds the lives of Weaver's friends in the balance. To protect the people he loves, Weaver

must stage a daring robbery from the headquarters of the ruthless British East India Company, but this theft is only the opening move in a dangerous game of secret plots, corporate rivals, and foreign spies. With the security of the nation—and the lives of those he loves—in the balance, Weaver must navigate a labyrinth of political greed and corporate treachery. Explosive action and utterly vivid period detail are the hallmarks of an author who continues to

set the bar ever higher for historical suspense.

**Eternity** Random House  
It was only supposed to be a short visit. It turned into a love affair. Melanie White is in trouble. Young, unmarried, with no resources to speak of, she's forced to flee home and hide out with her aunt on a ranch in a western mining town. She's just passing through on her way farther West, and it's a good thing, too: she can't stand the ranch owner. He's rowdy, immature...and undeniably attractive.

David Tanner has his life just the way he likes it: he does what he wants, when he wants, and nobody can tell him any different--least of all, his former nanny's niece Melanie, who likes books more than people. But when a family emergency forces Melanie and David to work together, she discovers that there's more to him than meets the eye. And he finds out that life as a bachelor may not be what he likes after all. Contains mild language and sensual content within marriage.

 Be careful what you wish for. Your dream might come true. This is a humorous story about Chad Smith who had his greatest hope fulfilled but with results he could never have imagined. His ambition was to play ball in the Major League. Only

one thing held him back from playing professional baseball in the majors. Through a freak accident this shortcoming is removed but the transformation leads to an unorthodox style of play. His success arouses a number of emotions in the other players, team managers and owners of the baseball teams. He is swept away into a beehive of controversy.

Benjamin Weaver, the quick-witted pugilist turned private investigator, returns in David Liss's sequel to the Edgar Award-winning novel, *A Conspiracy of Paper*. "[A] wonderful book . . . every bit as good as [Liss's] remarkable debut . . . easily one of the year's best."—*The Boston Globe*

Moments after his conviction for a murder he did not commit, at a trial presided over by a judge determined to find him guilty, Benjamin Weaver is accosted by a stranger

who cunningly slips a lockpick and a file into his hands. In an instant he understands two things: Someone wants him to hang—and another equally mysterious agent is determined to see him free. After a daring escape from eighteenth-century London's most notorious prison, Weaver must face another challenge: to prove himself innocent when the corrupt courts have shown they care nothing for justice. Unable to show his face in public, Weaver pursues his inquiry

disguised as a wealthy merchant seeking to involve himself in the contentious world of politics. Desperately navigating a labyrinth of schemers, crime lords, assassins, and spies, Weaver learns that in an election year, little is what it seems and the truth comes at a staggeringly high cost. Praise for *A Spectacle of Corruption* "[A] rousing sequel of historical, intellectual suspense."—*San Antonio Express-News* "Liss is a superb writer who evokes the squalor of London

with Hogarthian gusto.”—People “In Benjamin Weaver, Mr. Liss has created a multifaceted character and a wonderful narrator.”—The New York Sun

 As long ago as 1860 it was the proper thing to be born at home. At present, so I am told, the high gods of medicine have decreed that the first cries of the young shall be uttered upon the anesthetic air of a hospital, preferably a fashionable one. So young

Mr. and Mrs. Roger Button were fifty years ahead of style when they decided, one day in the summer of 1860, that their first baby should be born in a hospital. Whether this anachronism had any bearing upon the astonishing history I am about to set down will never be known. I shall tell you what occurred, and let you judge for yourself.

 The U.S Government's actual transcripts of the

1935 Franklin County Moonshine Conspiracy Trial were accidentally destroyed by nature several years/months after the trail had concluded. Transcripts of the government's Grand Jury testimony were not lost. The only written records that still exist are those written by reporters from Franklin County's nearby daily newspapers. Each story appearing in "The Roanoke Times," along with the story's headlines, were retyped for this publication.

It's 1995 and James Eastman never met his real grandfather Ben because he died in 1944 in the South Pacific. Then after James discovers a functioning time machine in the basement of an old abandoned home, he time travels back to 1944. James was disguised as a USMC Marine Corsair pilot and was able to finagle orders to the same island where Ben was stationed. But after James saves Ben's life, he learns the horrible truth on how he

was shot down in the first place.

Life in lower class as offspring of a notorious thief was simple for the Quartar daughters until accidental mishaps with the other classes of society turn their dirt poor lives around for worse and better. Eight young women are taken from the slums into the high class world they never understood only at first to find betrayal, suffering, scandal, revenge and corruption. Then, before they know it they are

wrapped in the grandest scandal their country of Galli has ever seen. The kingdom of Cretaine is trying to overthrow the corrupted kingdom of Galli. The Quartar family must betray their world in order to save Galli from a brutal civil war.  
*Destitution* CreateSpace  
Ben's 13th year was when his family fell apart, but his 14th year is when his whole world, or more precisely, the whole world, collapses. He had thought 13 was his unlucky number, the year that Time turned its back

on him, but he was wrong; that year, it was he who had turned his back on Time. The following year, the fury of the sun turns back Time for everyone in the world. On PF (Power Failure) Day, a huge electromagnetic surge from the sun destroys the power grids and civilization as we know it. Living in the middle of downtown Kansas City makes survival nearly impossible. Starvation, dehydration, disease, freezing temperatures, and out-of-control fires imperil the desperate

population. After facing unimaginable losses, Ben finds hope for the future when he meets Sara, who has endured her own share of agonizing loss. But when a murderous gang threatens to take away everything Ben has left, they flee to a wilderness area of a large city park where they learn to live off the land for survival.

Vivia is a hag, one of the last of her race, and can die, visit the underworld

and return at will. She has a job she loves-helping London's most vulnerable supernaturals, even if her colleague Malcolm drives her round the bend on a daily basis. Then Malcolm is outed as a zombie and, along with his teenage son Ben, flees the police. When Malcolm is captured, he is only able to pass on one message before his dead brain degrades completely: 'He killed me.' As Ben remains missing, the police find decades-old corpses hidden near Malcolm's house, and Vivia begins to

realise there's a lot more at stake than just a possible zompocalypse... *Truggle* Createspace Independent Publishing Platform

Life in the coal mines of Ohio and Pennsylvania was fraught with tragedy, illness and death in the early 20th Century. Irish immigrant Jamie Burns fights anti-Irish sentiment and danger, both in the mines and out. In Southeastern Ohio, the Markhams continue to build their merchandising empire, with builder Fred Hunt providing both

inspiration for the Markhams and a distraction for several women whose paths cross his. Fictitious characters interact with real historical figures in this look at the early days of the United Mine Workers of America in the Appalachian Valley coal region.

Sydney West enjoys sampling summer boys, but this year, one refuses to be a one-night stand... Twenty-one-year-old Sydney doesn't believe in

relationships. Her parents' toxic divorce has taught her love is nothing but a sinister fairytale. So every summer she parties, hooks up, abandons her lover before dawn, and repeats. That is until she meets gorgeous local surfer Jason King at the beach... When Jason fails to flirt-or even give her a second glance-she decides something must be wrong with him, and it's safer to stay away. But when Sydney and Jason's best friends hook up and become Malibu's hottest couple, they are forced to

spend more time together than either of them cares for. Armed with a sharp tongue, Sydney works to keep Jason at bay... In a moment of weakness, Sydney lets her guard down and confides in Jason, realizing he's more than just a hot guy-he's also a friend. And when Sydney's need for a summer boy results in her falling into bed with Jason, despite her better judgment, she runs away from him by morning. The problem is, he won't accept being another one-night stand, and will do

anything to prove... Love really does exist.

Seven billion people on earth; it was only a matter of time before you discovered the truth. Your legends--your myths and religions--have called us by many names. Since the beginning, our kind has walked among you as your protectors. We are the only ones who know who you are and why you are here. He wasn't meant to disappear; you weren't meant to know why. Our objective was clear: hunt

them, kill them and leave. Once you know, there will be no going back. They will come for you. Are you ready?
