 Suffering from a variety of conditions, we formed a small group of individuals that were also struggling, and we helped each other remain accountable as we healed ourselves naturally. How did we do this? We researched tirelessly and tried multiple different methods until we finally started seeing results through the use of protocols

taught by legendary healers, Dr Arnold Ehret and Dr Robert Morse. Note: all information and resources are readily available for personal study and application, online. Dr Arnold Ehret's books can be downloaded freely if you search for "arnold ehret books pdf". Visit rawfigs.com for Dr Robert Morse videos which can be searched through by keywords via the search bar. Familiarise yourself with their teachings and protocols and move forward as you put this journal to use. Throughout our healing journeys, we found the process of recording our progress to be of great help. Our journals also helped us in note-taking of anything that we found useful, along with any tips and hacks that we came across. We felt inspired to create a

personalised 30 day journal for your condition encouraging you to track your thoughts, feelings, progress and knowledge as you enjoy success and fulfillment on your journey of self healing. One of the key conclusions that we reached through our individual journeys was that whether you are a sufferer of Cleft Tongue, or any other condition, the same protocol that we used to heal will apply to you. However, dependant on the severity and time endured, you may need to follow the protocols for longer, using specific herbs (and glandulars) in order to achieve positive results, but you can make your own adjustments as you learn more. Equipped with the information found on this page, we trust that you will benefit

greatly from this journal and reach your goals. Use it to keep yourself accountable, use it for noting down useful information that you discover, whilst recording the raw vegan foods (fruit, vegetables, herbs) that you eat and juice. Record daily routines such as time spent fasting, time spent eating, water consumed, sauna or lymph moving exercises performed, and anything else that you find to be supportive. You will never miss a moment now and remain focused on your goals. We wish you all the best. The Health Formation Team

Identifying and treating traumatic dental injuries is an extremely important part of the dentistry profession. The stomatognathic system is a complex structure that is rich with tactile and motor neuron sensors and therefore trauma to the area should be diagnosed and treated as quickly and effectively as possible. Trauma in Dentistry not only covers the scientific basis of dental trauma and dental trauma-related matters, but it also draws attention to advanced diagnostic and treatment methods for dealing with traumatic dental injuries. This volume includes information for treating both adults and children, with two chapters dedicated to pediatric dental trauma. Other chapters focus on occlusal trauma, dental implants, and biomaterials.

Our words can be so cruel. Used wrongly, they can discourage people, cut open the heart and destroy someone's self-

confidence—even ignite a fire and drive crowds to violence. And once they're spoken, they can never be recalled. Words enter our ears and burrow themselves deep into our hearts ... often never to be forgotten. It's little wonder that the Bible instructs us to control our tongues. Inspired by James 3:1-12, and filled with 40 engaging stories and dozens of relevant Scriptures, this book encourages you to use your speech positively—speaking kindness, sharing words that heal, expressing love, and praising God.

God's Keys to Your Healing Raw Power Death and life are in the power of the tongue. Every Christian knows it is imperative to keep the tongue under control but, sooner or later, finds he cannot do so himself. Derek Prince provides clear, biblical steps to discipline the tongue so your words will be spoken for God's glory and your blessing!

The mind is very magical, especially when we know how to navigate through it. Combining the magical power of thought with the intense power of the tongue can help lead one into manifesting and healing their reality in magical ways. First, it starts with understanding how the vibration of thought works and how the laws of the Universe follow up with matching vibrations to manifest one's reality. Whether it is intentional or unintentional, we may often find ourselves either sabotaging our desires by thinking and speaking death into our reality or manifesting our desires by thinking and speaking life. In this book, we will shed light on it all. This book will unlock the basic concepts of the Universal Laws and how they are encoded into the very fabric of creation, which is intelligently mirrored in our DNA. We will discover techniques and the basic sacred geometry used in the self-healing process. As you begin to learn how to change your thoughts, you can learn how to heal yourself and co-create your desired reality. This book provides a step-by-step guide on how to self-clear energetic blockages which usually manifest themselves as some form of physical illness. At times, these illnesses can become crippling, which then prevents you from living your best life and serving your divine life purpose. This author provides special techniques which can help you gain your life back by exposing the importance of protecting your energetic field and removing energetic blockages that are usually caused by past energetic traumas still lodged in your auric field. All things are made up of energy. No

matter the person's spiritual background, this author cleverly takes the reader through the basic metaphysical concepts on how energy works and provides the reader with simple spiritual analogies and techniques that any beginner can understand after being introduced to these concepts for the first time. This book awakens the reader to their inner power and sheds light on the activation of one's natural born gifts, helping the reader navigate their way towards healing their past and changing the course to healing their future.

The Bible teaches us that healing is available for our entire being - body, soul, and spirit. Healing in the Atonement This healing is provided for us in the atonement, (what Jesus wrought in His powerful death and resurrection.) Peter wrote, Who in His own self bare our sins in his own body on the tree [the cross,] that we being dead to sins, should live unto righteousness: by whose stripes ye were healed" (1 Peter, 2:24, KJV.) Healing in and from God's Word It also says, He sent His Word and healed their diseases" (Psalm 107:20, KJV.) God is a God of His Word. When He says something, it is considered a promise. He is a Promise-Keeping God. "For all the promises of God in him are yea, and in him Amen, unto the glory of God by us" (1 Corinthians 1:20, KJV.) "God is not a man, that he should lie; neither the son of man, that he should repent: hath he said, and shall he not do it? or hath he spoken, and shall he not make it good?" (Number 23:19, KJV.) God's Word will not return to Him void. "So shall my Word be that goeth forth out of my mouth: it shall not return unto me void, but it shall accomplish that which I please, and it shall prosper in the thing whereto I sent it" (Isaiah 55:11, KJV.) God is eager to honor His Word. "Thou hast well seen: for I will

hasten My Word to perform it" (Jeremiah 1:12, KJV.) There is power in thoughts and words The Bible also teaches that there is power in our thoughts and words. When we think and speak life and healing over our bodies, we can expect miracles! About our thoughts it says, "As a man thinketh in his heart, so is he" (Proverbs 23:7, KJV.) About our words it says, "Death and life are in the power of the tongue. Them that love it shall eat the fruit thereof" (Proverbs 18:21, KJV.) Our words can move the mountains of sickness and disease. Jesus said, " For verily I say unto you, That whosoever shall say unto this mountain, Be thou removed, and be thou cast into the sea; and shall not doubt in his heart, but shall believe that those things which he saith shall come to pass; he shall have whatsoever he saith" (Mark 11:23, KJV.) The Divine Healing Prayer This Divine Healing Prayer is intended to instill and release thoughts of healing into your heart, and help you use the power of the tongue by saying, declaring, and confessing the promises of the Omnipotent Healer, as found in the Bible. The thoughts and words in themselves do not heal. It is the One who gave the promises, who heals, and He is with you this very moment. His wonderful Presence is manifested when you focus on Him and reveal faith in Him. It is not your faith that heals, but faith draws on the power of the One who heals

The Author, LoAnna Warren, has always sensed the presence of God in her life. For many long years, she sought God and had a desire to serve the Lord with her whole heart. Several years ago, she recognized there was a call on her life and encountered what one would call "wilderness" experiences. As she began to overcome, God gave her revelations about bondage and deliverance and what it takes to live a victorious life in the earth

(Matthew 6:33). She truly believes that the power of God is more powerful than any other force and that with God all things are possible. LoAnna has a heart for empowering women and a strong desire to see God's people walk in victory. This prayer devotional is for anyone who desires a closer walk with God, to intercede for others, and to pull down strongholds. The passages are filled with testimonies, wisdom, and prayers relevant to many of life's issues and circumstances. As you meditate on the Word of God and pray, be prepared for your life to be transformed. Your mind will be renewed as you pray powerfully by activating the

power of the spoken Word. This is based on understanding that life and death are in the power of your tongue. Because we are made in the image of God, we can expect transformation when we pray. The world came into existence by God's spoken Word - so powerful that when His Word went forth, it accomplished what He intended! [Healing Caviar Tongue: the 30 Day Raw Vegan Plant-Based Detoxification & Regeneration Journal & Tracker for Reversing Conditions. Journal 2 Raw Power](#) The Bible tells us "life and death are in the power of the tongue." What we say - and how we say it - does matter. Learn how to control your tongue and use it to bless others.
