Powerfully Targeted Prayers for Victory and Breakthrough Baker Academic

This book 'Power of Midnight Prayer' will certainly be one of the most comprehensive and most powerful books written on spiritual warfare. The choice of the title came from a wealth of experience, chilling testimonies and confessions, and a careful study of the word of God. It is indeed a very rich and well-researched work. It has been described as an incredible book. Here, you will learn of the enormous but yet to be fully tapped spiritual power embedded in the prayers done between 11:00pm and 3:00am. Do you know enough about the explosive powers of praise, prayer and fasting? Do you know what roles the angels of God, the Spirit of God and the

fire of God play in our war against the kingdom of darkness? This book 'Power of Midnight Prayer' will certainly be one of the most comprehensive and most powerful books written on spiritual warfare. Do you know enough about the explosive powers of praise, prayer and fasting? Do you know what roles the angels of God, the Spirit of God and the fire of God play in our war against the kingdom of darkness? In this book, you will hear directly from the former grand occult masters of the colossal destructive impact that the name and the blood of Jesus cause in Satan's

kingdom. What happens when Satan and his demons come directly in contact with these two most powerful elements in the universe? Why did Satan fall from his chair in a meeting because the name of Jesus was mentioned? Do you know about the enemy's war strategies against the church, the Christians and the ministers? How does he bring down and sometimes kill ministers of the gospel? Who are the agents of the dark kingdom in the church? What roles should the prayer warriors play? What is the interest of the kingdom of Satan in human flesh and blood? Why human sacrifices in the occult world? Read various accounts from the former agents of Satan and even the media on sacrificing of humans and other chilling unprintable practices. Why would a woman pluck off the eyes of a crawling baby, slaughter her with all her crying and groaning, and then pound her flesh and eat? What does the occult do with sex? Can evil spirits, covenants and curses be transmitted

through sex? Why would a man sleep with a little boy, depositing snake in his stomach just to acquire power, wealth and position? You will also find other explosive topics like wrestling with God, binding and loosing, smashing the gates, open doors, whole armor of God, gates of heaven and gates of hell. The twenty-one power-loaded chapters of this book will surely set you on fire for God. I bet you have never read anything like this before.

This book is certain to change the way you pray and reach God. This book identifies prayer as the key component to spiritual maturity. When consciously exercised, prayer yields answers in the face of child-like faith. Consequently, it is one's belief which makes the difference in the responses received from God. There are many people who believe in God, but they do not believe what God says. The book encourages people to believe in the realness of God. His capability to answer every prayer and meet every need, is based on the promise of His word. During Christ's ministry on earth, he always asked people about their belief when he was about to heal or perform a miracle. After each healing he'd also remind them that it was their faith that made them well.

Daniel Prentice's technological skill helped save the world from the deadly impact of Y2K in the popular thriller *Flee the Darkness*. But that victory didn't stop the encroaching evil. In this gripping sequel, tension mounts in the 21st century as a Russian-Arab invasion of Jerusalem seems imminent. Now Daniel must guide NSA chief Captain Michael Reed in the battle ahead. More than a battle for the land, the offensive could be the fulfillment of Ezekiel's ancient biblical prophecy of Gog and Magog invading Israel. As the world shudders in response, the invaders offer Israel a choice: surrender or be obliterated. As the State of Israel fortifies itself against the coming onslaught of missiles, biological weapons, and an invasion force attacking from all four borders, Reed and his Israeli counterpart, Sergeant Major Devorah Cohen, exhaust every military resource to prevent a nuclear war. Soon Reed and Cohen realize that the real battle they face is one of spiritual origin—for which no military drill could prepare them. Will Michael and Deborah find faith to confront the enemy? Never have the forces of evil been stronger, the stakes higher, or the world's possible destruction nearer than *By Dawn's Early Light*.

Making Prayer Real Walter de Gruyter In this volume Michael D. Matlock analyses five lengthy biblical prose prayers from the exilic and post-exilic period: Solomon's prayer (1 Kings 8.14-61), Ezra's prayer (Ezra 9.5-15), Nehemiah's prayer (Nehemiah 1.4-11), the Levites' prayer (Nehemiah 9.4-37), and the prayer of Daniel (Daniel 9:3-19). He also examines prayers from Second Temple literature including texts from the Apocrypha and Pseudepigrapha, the writings of Philo and Josephus and texts from Qumran, and discusses the Septuagintal versions of the five biblical prayers and Targum Jonathan's treatment of Solomon's prayer. He offers a new English translation of each prayer, examines the prayers' rhetorical characteristics, and demonstrates how each prayer draws upon and reinterprets traditional images and materials. Matlock

describes how each prayer relates to its larger narrative context and examines its functions within that context. Finally, he appraises the various similarities and differences in these prayers in terms of their different contexts in the Second Commonwealth period noting particular theologies and ideologies.

C. Clifton Black provides a thorough analysis of the most famous prayer in the Christian church, the Lords Prayer. He begins with an impressionist painting of how the ancients prayed during Jesus time in order to set the context for understanding the prayer he taught his disciples. Throughout the book, Black systematically interprets the rich meanings of each part of the Lords prayer. Additionally, he includes an overview of Christian thought on the Lords Prayer from early church mothers and fathers like Tertullian and Teresa of Avila to modern theologians like Karl Barth. Uniquely, this book is an academic study of the Lords Prayer with a focus on the rhetorical culture from which it developed as well as the theological, literary, and historical meanings of the prayer itself.

Your Prayers are More Powerful than you Know Wipf and Stock Publishers

Prayer, the raising of the heart to God, is the heart of the Christian life. For the author of Luke's Gospel and the Acts of the Apostles, prayer is the habit of being in the presence of God. One of the primary ways Jesus is characterized in Luke's Gospel is that of a pray-er. Likewise in the Acts of the Apostles, the apostles are portrayed being in God's presence. Prayer

is the topic of this book; it highlights the passages where Jesus is found praying in the Gospel and where the apostles are found praying in the Acts. From the example Jesus gives in Luke's Gospel, and from the example the apostles give in the Acts of the Apostles, the reader concludes that prayer should be a part of the life of any Christian. If Jesus himself prayed--spoke and listened to God--then how can his followers do any less? This book can be used during the Advent-Christmas Season, the Lenten Season, the Easter Season, and at any time one wants to hone his or her praying skills. This book is especially useful during the period of post-baptismal catechesis for those in the Rite of Christian Initiation of Adults with its focus on spiritual growth through prayer.

My reason for writing this Bible study guide on prayer is to reintroduce everyone

to the real basics for a successful prayer life. I want to give everyone a true sense of a relationship with a real all-powerful God. Our Savior-God wants a relationship that is totally honest concerning a Holy God and His Chosen People. Christian prayers are not being answered today for several reasons. Gods word is trying to give us a peaceful heart through our baptism by faith in Jesus Christ. Since we have been quickened or made alive with God in Christ Jesus we need to put our will worship aside and worship our savior Jesus Christ. Matthew 6:1-15 I want to let Gods Word help us rediscover our Christian prayer life. To do this, we need to re-examine our views of The Living, All Powerful God of the Universe! The best place to begin is in Matthew 6, where Jesus tries to introduce us to proper prayer

life. Then, after we re-examine our Heavenly Father, I want to examine the hindrances to a successful prayer life that we commit because of our sinful daily walk, according to James 4:1-17. I want to also discuss at least 5 ways that God does answer prayer. I realize that there are many ways to examine this part of our study, but we need to be honest with ourselves. Mike
