The New York Times  
bestseller, written by a  
former reporter for ABC  
News, that People  
magazine called “a  
transporting, enlightening  
book” tells the story of a  
fearless young  
entrepreneur who brought

hope to the lives of  
dozens of women in war-  
torn Afghanistan Former  
ABC journalist Gayle  
Tzemach Lemmon tells  
the riveting true story of  
Kamila Sidiqi and other  
women of Afghanistan in  
the wake of the Taliban’s  
fearful rise to power. In  
what Greg Mortenson,  
author of Three Cups of  
Tea, calls “one of the  
most inspiring books I  
have ever read,” Lemmon

recounts with novelistic  
vividness the true story of  
a fearless young woman  
who not only reinvented  
herself as an  
entrepreneur to save her  
family but, in the face of  
ferocious opposition,  
brought hope to the lives  
of dozens of women in  
war-torn Kabul.

 Essie Lang's series debut is perfect for fans of Lorna Barrett, Vicki Delany, and book lovers everywhere. Rookie bookstore owner Shelby Cox must hit the books to learn the ropes before she loses a killer in the stacks. Shelby Cox never intended to become a bookseller, so when the former editor returns to her hometown of

Alexandria Bay, nestled in upstate New York's breathtaking Thousand Islands region, to take over her aunt's bookstore, she has no idea what to expect. To her amazement, she discovers that she now owns a fifty-percent share in Bayside Books, and will also run the store's second location in the majestic castle on nearby Blye Island. But just as Shelby is gearing up for the start of the tourist season, the Castle volunteer coordinator is found murdered in the

nearby Grotto. Castle caretaker Matthew Kessler is suspect number one, but Shelby thinks the killing may be connected to an earlier era, when violence among Prohibition-era smugglers was rampant in the region. As Shelby launches her own investigation, handsome and unnerving Special Agent Zack Griffin of the Coast Guard Investigative Services tries to quell her smuggling theory and keep her safe. But Shelby is determined to summon all her savvy as a book

editor to plot the murder—and find the killer before he strikes again—in *Trouble on the Books*, Essie Lang's clever and captivating series debut.

"... offers an unsurpassed chronicle of the war in the West." —Register of the Kentucky Historical Society "This eyewitness account brings a better understanding to a conflict that brought a nation to its knees." —Historical Media Review

"... an exceptional Civil War narrative. It has value for the military and literary historian." —War, Literature, and the Arts The letters and diary of Major James Austin Connolly, 123rd Illinois Infantry, constitute an unsurpassed record of Civil War campaigning in the West. Connolly had a flair for narrative, an eye for people and places, and a smooth and facile style. His accounts offer a realistic picture of day-to-day soldiering in the Civil War—of rough, spare living in the field, of

boredom and fun in camp, of seemingly aimless scouts, and of the high excitement of battle.

The Paris Wife was only the beginning of the story . . . A New York Times Book Review Editor's Choice A Richard & Judy UK Pick Paula McLain's New York Times–bestselling novel piqued readers' interest about Ernest Hemingway's romantic life. But Hadley was only one of four women married, in turn, to the

legendary writer. Just as T.C. Boyle's bestseller *The Women* completed the picture begun by Nancy Horan's *Loving Frank*, Naomi Wood's *Mrs. Hemingway* tells the story of how it was to love, and be loved by, the most famous and dashing writer of his generation. Hadley, Pauline, Martha and Mary: each Mrs. Hemingway thought their love would last forever; each one was wrong. Told in four parts and based on real love letters and telegrams, *Mrs. Hemingway* reveals the

explosive love triangles that wrecked each of Hemingway's marriages. Spanning 1920s bohemian Paris through 1960s Cold War America, populated with members of the fabled "Lost Generation," *Mrs. Hemingway* is a riveting tale of passion, love, and heartbreak. comes a mesmerizing and chilling fairy-tesque novel about Ellerie Downing, a young woman in a small town with monsters lurking in the trees and dark desires hidden in the shadows—in Amity Falls, nothing is more dangerous than a wish come true. "Unique, enchanting, and haunting."—Brigid Kemmerer, New York Times bestselling author of the *Cursebreaker* series "Full of beasts, bargains, and blood, *Small Favors* is a folk horror tale that feels like a classic but is

utterly fresh. Sweet, dark, and complex as wildflower honey.”—Hannah Whitten, New York Times bestselling author of *For the Wolf* “A deliciously dark fairy tale filled with bone-chilling horror and breathtaking romance that will keep you turning the pages long into the night.”—Kara Thomas, author of *The Cheerleaders* and *That Weekend* “As dark and romantic as it haunting, *Small Favors* is an eerie fairytale that I couldn’t put down.”—Alexis Henderson, author of *The*

*Year of the Witching* Ellerie Downing is waiting for something to happen. Life in isolated Amity Falls, surrounded by an impenetrable forest, has a predictable sameness. Her days are filled with tending to her family's beehives, chasing after her sisters, and dreaming of bigger things while her twin, Samuel, is free to roam as he wishes. Early town settlers fought off monstrous creatures in the woods, and whispers that the creatures still exist keep the Downings and their neighbors from

venturing too far. When some townsfolk go missing on a trip to fetch supplies, a heavy unease settles over the Falls. Strange activities begin to plague the town, and as the seasons change, it's clear that something is terribly wrong. The creatures are real, and they're offering to fulfill the residents' deepest desires, however grand, for just a small favor. These seemingly trifling demands, however, hide sinister intentions. Soon Ellerie finds herself in a race against time to stop

Amity Falls, her family, and the boy she loves from going up in flames. **Collier's** Brickhouse Books, Incorporated  
 In 1755, Major General Edward Braddock and two army regiments set out from Alexandria with the objective of capturing Fort Duquesne, near present-day Pittsburgh. To transport their sizable train of artillery and wagons, they first had to build a road across the rugged Appalachian Mountains. It was almost 289 treacherous miles from Alexandria, Virginia,

by way of Fort Cumberland in Maryland and on to the French fort; the road they built was one of the most impressive military engineering accomplishments of the eighteenth century. Historian Norman L. Baker chronicles the construction of the road and creates the definitive mapping of those sections once thought lost. Join Baker as he charts the history of Braddock's Road until the ultimate catastrophic collision with the combined French and

Indian forces.

Stonewall Award-winning author of George "Spend time in Mary's world. You'll be better for it." -- Erin Entrada Kelly, author of the Newbery Award Winner, Hello, Universe Mary Lambert has always felt safe and protected on her beloved island of Martha's Vineyard. Her great-great-grandfather was an early English settler and the first deaf islander. Now, over a hundred years later, many people there -- including Mary -- are deaf, and nearly everyone can communicate in sign

language. Mary has never felt isolated. She is proud of her lineage. But recent events have delivered winds of change. Mary's brother died, leaving her family shattered. Tensions over land disputes are mounting between English settlers and the Wampanoag people. And a cunning young scientist has arrived, hoping to discover the origin of the island's prevalent deafness. His maniacal drive to find answers soon renders Mary a "live specimen" in a cruel experiment. Her struggle

to save herself is at the core of this penetrating and poignant novel that probes our perceptions of ability and disability.

This is a print on demand edition of a hard to find publication. Explores whether sufficient data exists to examine the temporal and spatial relationships that existed in terrorist group planning, and if so, could patterns of preparatory conduct be identified? About one-half of the terrorists resided,

planned, and prepared for terrorism relatively close to their eventual target. The terrorist groups existed for 1,205 days from the first planning meeting to the date of the actual/planned terrorist incident. The planning process for specific acts began 2-3 months prior to the terrorist incident. This study examined selected terrorist groups/incidents in the U.S. from 1980-2002. It provides for the potential to identify patterns of conduct that might lead to intervention prior to the commission of

the actual terrorist incidents. Illustrations. Sophie's World Arcadia Publishing

Alexandra Bergson's father, John, is dying. He entrusts his farmstead on a desolate stretch of plain to her, rather than to her brothers. Faced with the rigors of frontier living, droughts, and penury,

Alexandra only becomes more determined to carry on her father's legacy and battles through remortgaging the farm and adopting new techniques. Fast forward 16 years, her hard work has paid off, her brothers Lou and Oscar have both created prosperous farms, and under Alexandra's management the original farm has thrived. When childhood friend Carl Linstrum returns from traveling it appears that romance is on the cards, but Lou and Oscar drive him out of town, fearing

that their sister's marriage would disinherit their own children. The community begins to unravel as jealousy spills out into murder. Although born in Virginia, Willa Cather's family moved to Nebraska and her writing reflects her upbringing in the prairie lands steeped in history.

Lyrical, inspiring, and affecting text paired with bright, appealing illustrations make Ready to Fly perfect for aspiring

ballerinas everywhere who are ready to leap and to spread their wings! Ready to Fly is the true story of Sylvia Townsend, an African American girl who falls in love with ballet after seeing Swan Lake on TV. This nonfiction picture book is an excellent choice to share at home or in the classroom. Although there aren't many ballet schools that will accept a girl like Sylvia in the 1950s, her local bookmobile provides another possibility. A librarian helps Sylvia find a book about ballet and

the determined seven-year-old, with the help of her new books, starts teaching herself the basics of classical ballet. Soon Sylvia learns how to fly—how to dance—and

how to dare to dream. Includes a foreword from Sylvia Townsend, a brief history of the bookmobile, an author's note, and a further reading list.
