A Matter of Class Lady Sherlock
 It's not easy for a woman with neither money nor family to make her own way in the world, but as one of London's premier fortune-tellers, Jenny Keeble has managed precisely that. All she has to do is smile sweetly, listen carefully, and tell her clients precisely what they want to hear. It works...until Gareth Carhart, the scientifically-minded Marquess of Blakely, decides to prove that she's a fraud. At first, all Gareth wants is to free his gullible cousin from Jenny's clutches. But he discovers that she's clever, spirited, beautiful, and not at all the conniving liar that he initially imagined. Still, there's nothing logical about his attraction to her,

and so he refuses to give in to it. He's vowed to ruin her, so he will—even if he has to break his own heart in the process. This is an enhanced ebook.
