The Collected Poems of Ai

University of Virginia
Press

Meet George Washington, our first president-who many say is the greatest leader our nation has known. When Washington took office, no one knew what the president's job should be, or how the country should be run! During his two terms,

Washington set the standard for the office and helped shape our democracy. He will always be remembered. This series of engaging, in-depth books introduces readers to the men who have led our country since its very first days. Lively text and colorful illustrations are supplemented by fun facts, a timeline, and even a sampling of the subject's most famous quotes. Presidential

Biographies will be the first books kids reach for when writing a report-or if they're simply looking for a fascinating read!

Phillis Wheatley Teacher Created Materials
Now in its 4th edition, this popular text for secondary social studies methods courses integrates

discussions of educational goals and the nature of history and social studies with ideas for organizing social studies curricula, units, lessons, projects, and activities. A major theme throughout is that what teachers choose to teach and the way they teach reflect their broader understanding of society, history, and the purpose of social studies education. Advocating an inquiry and activity-based view of social studies teaching that respects the points of view of students and teachers, and based

in practice and experience, it offers systematic support and open, honest advice for new teachers. Each chapter addresses a broad question about social studies education; sub-chapters begin with narrower questions that direct attention to specific educational issues. Lesson ideas and materials in the book and online are especially designed to help new teachers to address common core learning standards, to work in inclusive settings, and to promote literacy

and the use of technology in social studies classrooms. Chapters include highlighted Learning Activities, Teaching Activities, and Classroom Activities designed to provoke discussion and illustrate different approaches to teaching social studies, and conclude with recommendations for further reading and links to on-line essays about related social studies topics. Activities are followed by four categories: "Think it over," "Add your voice to

the discussion," "Try it yourself," and "It's your classroom." All of these are supported with online teaching material. Designed for undergraduate and graduate pre-service social studies methods courses, this text is also useful for in-service training programs, as a reference for new social studies teachers, and as a resource for experienced social studies educators who are engaged in rethinking their teaching practice. New in the Fourth Edition Provides a

number of new lesson ideas paired with online lesson plans and activity sheets in every chapter Takes a new focus on data-driven, standards-based instruction, especially in relation to the common core curriculum Addresses the interactive nature of learning in updated technology sections Reflects current trends in history education Includes more of what the author has learned from working teachers Offers a wealth of additional on-line material linked to the text

Walt Whitman in Washington, D.C. Farrar, Straus and Giroux (BYR) Common Core's English resources empower educators to meet the expectations of the Common Core State Standards (CCSS) for English Language Arts (ELA) and build essential content knowledge for students in grades K-5. Each grade in The Wheatley Portfolio features a comprehensive, coherent sequence of thematic units that engage students in deep study of

worthwhile texts and topics. Features of this book include: Six thematic units for each grade, each centered on a curated collection of literary and informational texts Focus standards for each unit that complement the topic and promote student mastery of essential literacy skills Suggested texts and activities to incorporate science, art, and history into English instruction This revised second edition includes a sample text study that guides students through a close

read of an exemplary text, updated web resources, and refreshed suggested works. Educators who create their curriculum based on Common Core's Wheatley Portfolioguarantee that students are exposed to content-rich instruction and have ample opportunity to master the reading, writing, speaking, listening, and language skills articulated in the CCSS for ELA. Wheatley literally wrote her way to freedom. The first person of African descent to publish a book of poems in English, she was emancipated by her owners in recognition of her literary achievement. For a time, Wheatley was the most famous black woman in the West. But Thomas Jefferson, unlike his contemporaries Ben Franklin and George Washington, refused to acknowledge her gifts as a writer a repudiation that eventually inspired generations of black writers to build an

extraordinary body of literature in their efforts to prove him wrong. In *The Trials of Phillis Wheatley*, Henry Louis Gates Jr. explores the pivotal roles that Wheatley and Jefferson played in shaping the black literary tradition. Writing with all the lyricism and critical skill that place him at the forefront of American letters, Gates brings to life the characters, debates, and controversy that surrounded Wheatley in her day and ours. Walt Whitman W. W.

Norton & Company
A look at the beloved American poet's home and family, and a glimpse at the early years of Portland, Maine. When a former Revolutionary War general named Peleg Wadsworth finished building a two-story brick house on Congress Street in 1786, the "province of Maine" was still considered part of Massachusetts, and he could see the Fore River from his front door. The city would grow up around the structure, as the Wadsworth-Longfellow

family flourished and made history within its walls—and in the fabric of young America's culture and government. Peleg's daughter, Zilpah, married Stephen Longfellow IV on the first floor, and they raised their eight children in the home with love and high standards. Their second-eldest son, Henry Wadsworth Longfellow, wrote his first childhood poem there before going on to pen great classics including "Paul Revere's Ride" and *Evangeline*. Young Henry also watched his father help craft the

Maine Constitution, and experienced revolutionary ideals of his home city. This book takes you inside the historic Longfellow House—and lets you explore the city that shaped a renowned American poet. Includes photos and illustrations
Only for the Eye of a Friend John Wiley & Sons
 Biography of poet Phillis Wheatley, a freed slave during the years when the colonies prepared to fight the American Revolution.
Phillis Wheatley Oxford University Press
 In 1773, the slave Phillis

Wheatley literally wrote her way to freedom. The first person of African descent to publish a book of poems in English, she was emancipated by her owners in recognition of her literary achievement. For a time, Wheatley was the most famous black woman in the West. But Thomas Jefferson, unlike his contemporaries Ben Franklin and George Washington, refused to acknowledge her gifts as a writer -- a repudiation that eventually inspired generations of black writers to build an

extraordinary body of literature in their efforts to prove him wrong. In *The Trials of Phillis Wheatley*, Henry Louis Gates Jr. explores the pivotal roles that Wheatley and Jefferson played in shaping the black literary tradition. Writing with all the lyricism and critical skill that place him at the forefront of American letters, Gates brings to life the characters, debates, and controversy that surrounded Wheatley in her day and ours.

Books Ltd

A biography of the former slave, Phillis Wheatley, who became known as a poet and social commentator.

George Washington (Presidential Biographies)

Teacher Created Materials

A powerful poem about Ona Judge's life and her self-emancipation from George Washington's household. Ona Judge was enslaved by the Washingtons, and served the President's wife, Martha. Ona was widely known for her excellent

skills as a seamstress, and was raised alongside Washington's grandchildren. Indeed, she was frequently mistaken for his granddaughter. This poetic biography follows her childhood and adolescence until she decides to run away. Author Ray Anthony Shepard welcomes meaningful and necessary conversation among young readers about the horrors of slavery and the experience of house servants through call-and-response style lines.

Illustrator Keith Mallett's rich paintings include fabric collage and add further feeling and majesty to Ona's daring escape. With extensive backmatter, this poem may serve as a new introduction to American slavery and Ona Judge's legacy.

Carver Turtleback Books
This is a biography of the African slave who was taken in and educated by a Boston couple and became well-known because of the poetry she wrote.

Guide My Pen John Wiley

& Sons
Phillis Wheatley's rise from slavery to recognition as the foremost African American poet in the American colonies is featured in this volume of the Young Patriots series. Focusing on Phillis's early years, this profile reveals her illiterate beginnings in the Wheatley family and the turbulent pre-Revolutionary War climate in which she became an avid student and young poet. Young readers will rejoice as she protects her friend Nat

from British soldiers after the Boston Tea Party and delight when one of her poems results in a life-changing meeting with George Washington. Vivid illustrations accent this window into an exciting era in which Phillis found strength in the face of adversity and became a celebrated poet. Special features include a summary of Phillis's adult accomplishments, fun facts detailing little-known tidbits of information about her, and a time line of her life.

Phillis Wheatley

Lindhardt og Ringhof
“Ai is a truth teller picking her way through the burning rocks of racial and sexual lies.”—Joy Harjo
Before her untimely death in 2010, Ai, known for her searing dramatic monologues, was hailed as “one of the most singular voices of her generation” (New York Times Book Review). Now for the first time, all eight books by this essential and uniquely American poet have been gathered in one volume. from “The Cockfighter’s Daughter” I found my father, face

down, in his homemade chili and had to hit the bowl with a hammer to get it off, then scrape the pinto beans and chunks of ground beef off his face with a knife.

Works: Life of George Washington

Young Patriots Series

Loving offers a sharp focus of the man who is generally considered America's greatest poet. This splendid work reveals him as fully as anything can, except his poems.

The Works of Washington Irving
Arcadia Publishing
George Washington lived

in an age of revolutions, during which he faced political upheaval, war, economic change, and social shifts. These revolutions affected American women in profound ways, and the women Washington knew—personally, professionally, and politically—lived lives that reveal these multifaceted transformations. Although Washington often operated in male-dominated arenas, he participated in complex and meaningful relationships with women

from across society. A lively and accessibly written volume, *Women in George Washington's World* highlights some of the women—Black and white, free and enslaved—whom Washington knew. Women who admired and memorialized him, women who provided him love and solace, women who frustrated him, and women who worked for or against him—all of these women are chronicled through their own experiences and identities. The essays,

written by established and emerging historians of gender, reveal the lives of a diverse group of women, including plantation mistresses and enslaved workers, Loyalists and Patriots, poets and socialites, as well as mothers, wives, and sisters. Collectively, women emerge as strong actors during the American Revolution and its aftermath, not merely passive spectators or occasional participants. Although usually not on battlefields or in government offices,

women made choices and acted in ways that affected their own, their families', and sometimes even the nation's future. Collaborating for Real Literacy Boyds Mills Press
 Known among the Middle Atlantic intelligentsia and literati as a witty and versatile writer, considered by George Washington and the Chevalier de La Luzerne a gracious and elegant host, Annis Boudinot Stockton

(1736-1801) wrote over a hundred poems on the most important political and social issues of her day. "Only for the Eye of a Friend" was the name Stockton gave a manuscript book of poems that surfaced in 1985 and at once tripled the number of her known works. Before the discovery of this copybook, Stockton was known to have written about 40 poems. Now, Carla Mulford has brought together over 125 of Stockton's works, including her published

pieces and the newly found cache of poems in manuscript, to form this unprecedented collection. Mulford includes an introduction treating Stockton's life, with particular attention to the ways in which her poetry reveals both aspects of eighteenth-century culture and the expectations placed upon women of the Anglo-American elite. Only for the Eye of a Friend brings back into public view the works of a poet whose published works and manuscripts earned her,

in her day, a wide audience among colonists and international readers alike. The quality and quantity of Stockton's literary output makes her an apt counterpart to her seventeenth-century predecessor Anne Bradstreet and the nineteenth-century poet Emily Dickinson. George Washington University of Georgia Press
"An energetic study of the famed writer's time in the nation's capital and the loves of his life"
(Washington Independent

Review of Books). Walt Whitman was already famous for *Leaves of Grass* when he journeyed to Washington at the height of the Civil War to find his brother George, a Union officer wounded at the Battle of Fredericksburg. Eventually, Whitman would serve as a volunteer “hospital missionary”—making more than six hundred hospital visits and serving over eighty thousand sick and wounded soldiers in the next three years. With the 1865 publication of

Drum-Taps, Whitman became poet laureate of the Civil War, aligning his legacy with that of Abraham Lincoln. He remained in Washington until 1873 as a federal clerk, engaging in a dazzling literary circle and fostering his longest romantic relationship, with Peter Doyle. This fascinating blend of biography and history details the definitive account of Walt Whitman’s decade in the nation’s capital. Includes photos!
The Bivouac of the Dead

and Its Author (1898) The Rosen Publishing Group, Inc
This teacher-friendly resource provides practical arts-based strategies for classroom teachers to use in teaching social studies content. Overview information and model lessons are provided for each strategy and ideas are provided for grades K-2, 3-5, 6-8, and 9-12. The strategies addressed within the book allow teachers to make social studies instruction come alive and best meet

students' needs.

Irving's Oliver Goldsmith
Bloomsbury Publishing
USA

The first books to present specific guidance for teaching the Common Core State Standards. Forty-three states plus the District of Columbia and the U.S. Virgin Islands have signed on to adopt the Common Core State Standards (CCSS). The need for curriculum guides to assist teachers in helping students meet these standards has become imperative. Created by teachers, for

teachers, the research-based curriculum maps in this book present a comprehensive, coherent sequence of thematic units for teaching the skills outlined in the CCSS for English language arts in Grades K-5. The maps address every standard in the CCSS, yet are flexible and adaptable to accommodate diverse teaching styles. Each grade is broken down into six units that include focus standards, suggested works, sample activities and assessments, lesson

plans, and more. Teachers can use the maps to plan their year and craft their own more detailed lesson plans. Any teacher, school, or district that chooses to follow the Common Core maps can be confident that they are adhering to the standards.
