Event planning never stops. This industry goes 24/7, 365 days a year. Planners work evenings, weekends, and holidays, often far away from their home base, organizing and running events that simply must go on, and go smoothly. Missing a critical deadline is not an option in the event planning field. Time management errors can cost a company a potential sale, lose them an existing customer, and damage their professional reputation. Burnout and chaos are real risks in this hectic world of deadlines and multiple

projects. Planners often find themselves working down to the wire against crushing deadlines and a mountain of obstacles that impede their progress. Too frequently, there is not enough time to get the job done properly, let alone to spend on personal or professional pursuits. And for many involved in the event planning field, there is the extra dimension of travel to factor in, juggling multiple projects on a daily basis across a multitude of time zones. For smooth event implementation, and for business success, it is essential that planners know how to manage their own time as well as they manage an event. *Time Management for Event Planners* teaches readers how to successfully manage their workload, and do what matters most, when it matters most: Analyze and prioritize tasks. Structure your workload and your day for maximum performance. Identify red-flag activities that hinder productivity. Reduce stress-producing time crunches. Identify when extra help is needed, as well as how to delegate, outsource, and even partner with suppliers in crunch periods. Work with rather than against deadlines. Save time using technology. Manage multiple projects, even in multiple time zones. Balance your personal and professional life. Whether you are an event planner, a hospitality professional, in public relations or other related fields, *Time Management for Event Planners* offers time-saving tips, techniques, examples, and expert insight that will help you get time on your side.

Katarina the "villainess" has successfully lived through the story of the otome game she was reincarnated into without meeting any of the Catastrophic Bad Ends that were destined for her. Now she is excited for the impending school graduation that she never thought she'd live to see. But suddenly, Keith goes missing! Aided by her friends, our favorite villainess goes out in search for her adopted brother, determined to bring him back home. Meanwhile, men and women alike battle it out for the oblivious Katarina's romantic affections. Who will win in this increasingly tense war of love?

NOURISH will provide you with encouragement and practical knowledge for living a healthy lifestyle, both physically and spiritually. *NOURISH* is not another health or diet book; the

message of this book is unique as it addresses all three aspects of health: spirit, soul, and body. The practical and spiritual tools provided in this book are what sets it apart from the rest of its kind. Too many people give up on their journey to health because they have a plan that addresses only the physical aspect of health. However, this book encourages the reader to first pursue health at a heart level, bringing lasting change that comes from the inside out. In this book, you will discover how the health of your soul is the foundation to your overall health. Katie shares how to renew your mind and study God's word, which will change the perspective on how you see yourself, making loving yourself (and your body) possible. You will learn how to replace lies with the truth and shift your focus from what the world says to what God's Word says. In addition to the spiritual truths, you will learn how to nourish your body with clean eating foods and get practical tools that make healthy living enjoyable and maintainable. *NOURISH* will provide you with encouragement and practical knowledge for living a healthy lifestyle, in addition to providing a balance of spiritual and physical nourishment. This book will inspire you to get healthy from the inside out.

I can already see the headlines: "Alexander Westbrook Buries Sorrows In Charity Work." No thanks. I don't want to be another one of those Hollywood actors, all PR and no heart. For me, giving back is the best part of fame, and to use my trip to the group

home to get good press would taint that. Besides, my sister's been bugging me nonstop to find something-or someone-to distract me from the failed engagement to my former co-star. Enter Summer Bennett, volunteer at St Anne's and certified believer in happy endings. Spending time with her out of the spotlight is a sweet relief from my typical tabloid-ready life back in Los Angeles. The idea of spending the next two weeks with her is too good to turn down. Her entire body responds to a simple smile from me, and mine is helpless to resist her either. I can't risk my career for a girl. My studio contract doesn't allow it anyways. But I can't keep my hands to myself. Our secret kisses and whispered conversations have sparked a fire we're powerless to extinguish. How can I possibly turn our two weeks into something endless?

The Forgotten Heading Out on Your Own 31 Basic Life Skills in 31 Days You've finally left the comforts of mom and dad's nest to strike out on your own... but you have no clue how to do your own laundry. Or cook. Or manage your finances. Feeling a bit overwhelmed? Don't worry. We've got you covered. The Art of Manliness' Heading Out on Your Own: 31 Basic Life Skills in 31 Days is a primer on becoming a well-adjusted, self-reliant adult. In it you'll find the basic life skills you need to survive and thrive on your own. In 31 days, you'll learn skills like how to: Do Laundry - Ace a Job Interview - Create a Budget - Make Small Talk- Rent Your First Apartment - Shop for Groceries - Live With Roommates - Maintain Your Car - Cook - Iron a Dress Shirt - And Much More! The Art of Manliness Classic Skills and Manners for the Modern Man Never have enough money? Have more bills and expenses than money coming in? Is the topic of money stressful to you and your family? Would you love to have a little extra to put away at the end of each month? Would you love to stretch your paycheck a little farther? You've tried to stop spending money, but that simply doesn't work. Bills and expenses come in so fast your head spins. Your credit card has become your best friend. The credit card seems to be the only way to help you make ends meet, but it is also costing you money through interest charges. You've tried to go a little longer before you buy the next pair of shoes when the shoes you have now already have holes in them. You buy cheap food because that's all you can afford, but you know the cheap food isn't healthy for you. What else can you do? You've reached the end of your rope. You don't have to live this way.

Spend Less on Basics, Bills, Food & Shopping is a combination of four ebooks I previously wrote. It tells how to stretch your money further, how to buy the things you need and pay less for them. It tells how to manage your bills and budget in a way that is manageable, and still allows you to pay bills on time. Together, these four ebooks give you more than 80 ways to save money on your basic expenses, monthly bills, food and drink, and shopping for nearly anything. So buy Spend Less on Basics, Bills, Food & Shopping, stretch your money further, and hopefully you'll have a little extra to put away at the end of the month.

Liz Laika and her crew have gone undercover for the Fleet, posing as an off-the-books crew looking for their own space craft. Officially, they've been dismissed from the Fleet, and need to find a new ship at the Centarius Outpost. Unofficially, they're investigating a black market ring of stolen Fleet equipment. Unfortunately for Liz and the gang, their mission to investigate stolen equipment goes off the rails on Day 1. Liz stumbles over a woman who was attacked and left for dead in an alleyway. When officials deem it a coincidence that her attack is similar to others, Liz smells a rat. One way or another, her team will get to the bottom of the case...even if Eugene has to use his artificial intelligence in ways that may not strictly be legal. Danger is around every corner. From illegal races to a potential new love, can Liz manage to find what it is she really wants?

My name is Exodus and I'm going to share my painful truth with you. Before God entered my life, it was in shambles. I was awash in depression and shame, struggling to get through each day. I no

longer recognized myself and wondered if life was worth living. I implored God to help me as wretched as I was. When he came into my life, he mended the broken pieces from the inside out and sparked a spiritual awakening. 'Before I formed thee in the belly I knew thee, and before thou camest forth out the womb I sanctified thee; and I ordained thee a prophet unto the nations. (Jeremiah 1:5)

A “deliciously dark and dangerous” novel of love and tragedy in post-WWII Virginia by the #1 New York Times–bestselling author of *A Reliable Wife* (O, The Oprah Magazine). It is the summer of 1948 when a handsome, charismatic stranger, Charlie Beale, recently back from the war in Europe, shows up in the town of Brownsburg, a sleepy village nestled in the Valley of Virginia. All he has with him are two suitcases: one contains his few possessions, including a fine set of butcher knives; the other is full of money. A lot of money. He’s searching for a home. What he finds is love. And what happens then will haunt Brownsburg for generations. *Heading Out to Wonderful* is a “tale of doomed love [that] resonates like a folk ballad, with the language of the Blue Ridge Mountains and its people giving this novel its soul . . . Like any good ballad, the narrative builds slowly to its violent climax, packs an emotional punch, and then haunts readers with its quintessentially American refrain” (Publishers Weekly).
