winning author of Smile, Drama, and Sisters! Catrina and her family are moving to the coast of Northern California because her little sister, Maya, is sick. Cat isn't happy about leaving her friends for Bahía de la Luna, but Maya has cystic fibrosis and will benefit from the cool, salty air that blows in from the sea. As the girls explore their new home, a neighbor lets them in on a

secret: There are ghosts in Bahía de la Luna. Maya is determined to meet one, but Cat wants nothing to do with them. As the time of year when ghosts reunite with their loved ones approaches, Cat must figure out how to put aside her fears for her sister's sake -- and her own. Raina Telgemeier has masterfully created a moving and insightful story about the power of family and

friendship, and how it gives us the courage to do what we never thought possible.

drawn from a diverse array of disciplines--English, education, library science, and fine arts. Collectively, they analyze a variety of contemporary comics, including such highly popular series as *Diary of a Wimpy Kid* and *Lumberjanes*; Eisner award-winning graphic novels by Gene Luen Yang, Nate Powell, Mariko Tamaki, and Jillian Tamaki; as well as volumes frequently challenged for use in

secondary classrooms, such as Raina Telgemeier's *Drama* and Sherman Alexie's *The Absolutely True Diary of a Part-Time Indian*. *Drama* (Spanish Edition) Simon and Schuster A sharp, funny, and honest collection of real-life stories from Kelly Ripa, showing the many dimensions and crackling wit of the beloved daytime talk show host. In *Live Wire*, her first book,

Kelly shows what really makes her tick. As a professional, as a wife, as a daughter and as a mother, she brings a hard-earned wisdom and an eye for the absurdity of life to every minute of every day. It is her relatability in all of these roles that has earned her fans worldwide and millions of followers on social media. Whether recounting how she and Mark really met, the level of chauvinism she

Ms. Ripa takes no prisoners. Surprising, at times savage, a little shameless and always with humor... Live Wire shows Kelly as she really is offscreen--a very wise woman who

has something to say.

The Bad Guys in Attack of the Zittens (The Bad Guys #4) Scholastic Inc.

Raina wakes up one night with a terrible upset stomach. Her mom has one, too, so it's probably just a bug. Raina eventually returns to school, where she's dealing with the usual highs and lows: friends, not-friends, and

classmates who think the school year is just one long gross-out session. It soon becomes clear that Raina's tummy trouble isn't going away... and it coincides with her worries about food, school, and changing friendships. What's going on? Raina Telgemeier once again brings us a thoughtful, charming, and funny true story about growing up and gathering the courage to face and

conquer your fears. Sisters: A Graphic Novel Graphix Can knowing the most superhero trivia in the whole school be considered a superpower? If so, Vincent Wu is invincible. If not (and let's face it, it's "not"), then Vincent and his pals Max and George don't get any props for being the leaders (and, well, sole members) of the (unofficial) Captain Stupendous Fan Club. But what happens

when the Captain is hurt in an incident involving BOTH Professor Mayhem and his giant indestructible robot AND (mortifyingly) Polly Winnicott-Lee, the girl Vincent totally has a crush on? The entire city is in danger, Vincent's parents and his friends aren't safe, the art teacher has disappeared, and talking to Polly is REALLY, REALLY AWKWARD. Only Vincent

Wu has what it takes to save the Captain, overcome Professor Mayhem, rally his friends, and figure out what to say to Polly. But will anyone take him seriously? Seriously. Anyone?? Find out in this action-packed super comedy debut.

Check out the Doug Unplugs animated series on Apple TV!
It's easy being a robot, if you play by all the rules—but when Doug gets curious, he decides to unplug and forge his own path. And he discovers a whole world of what's possible. Doug is a robot. His parents want him to be smart, so each morning they

plug him in and start the information download. After a morning spent learning facts about the city, Doug suspects he could learn even more about the city by going outside and exploring it. And so Doug . . . unplugs. What follows is an exciting day of adventure and discovery. Doug learns amazing things by doing and seeing and touching and listening—and above all, by interacting with a new

friend. Dan Yaccarino's funny story of robot rebellion is a great reminder that sometimes the best way to learn about the world is to go out and be in it. Praise for Doug Unplugged: "A gentle robotic rebellion." —USA Today A sweet tale . . . Yaccarino [is] especially good at slipping in the small, nourishing details that are savored upon repeated readings." —The New York Times Jupiter's Legacy:

Requiem #1 (of 5) Image Comics
Raina Telgemeier's #1 New York Times bestselling, Eisner Award-winning graphic memoir based on her childhood! Raina just wants to be a normal sixth grader. But one night after Girl Scouts she trips and falls, severely injuring her two front teeth. What follows is a long and frustrating journey with on-again, off-again braces,

Acting Out

Simon and Schuster
A heartbreaking and hilarious memoir by iCarly and Sam & Cat star Jennette McCurdy about her struggles as a former child

actor—including eating disorders, addiction, and a complicated relationship with her overbearing mother—and how she retook control of her life. Jennette McCurdy was six years old when she had her first acting audition. Her mother's dream was for her only daughter to become a star, and Jennette would do anything to make her mother happy. So she went along with what Mom

called "calorie restriction," eating little and weighing herself five times a day. She endured extensive at-home makeovers while Mom chided, "Your eyelashes are invisible, okay? You think Dakota Fanning doesn't tint hers?" She was even showered by Mom until age sixteen while sharing her diaries, email, and all her income. In *I'm Glad My Mom Died*, Jennette recounts all this in unflinching

detail—just as she chronicles what happens when the dream finally comes true. Cast in a new Nickelodeon series called *iCarly*, she is thrust into fame. Though Mom is ecstatic, emailing fan club moderators and getting on a first-name basis with the paparazzi (“Hi Gale!”), Jennette is riddled with anxiety, shame, and self-loathing, which manifest into eating disorders, addiction, and

a series of unhealthy relationships. These issues only get worse when, soon after taking the lead in the *iCarly* spinoff *Sam & Cat* alongside Ariana Grande, her mother dies of cancer. Finally, after discovering therapy and quitting acting, Jennette embarks on recovery and decides for the first time in her life what she really wants. Told with refreshing candor and dark humor,

I’m Glad My Mom Died is an inspiring story of resilience, independence, and the joy of shampooing your own hair. *Ghosts: a Graphic Novel* HarperCollins “Achilles Kallis vowed that he'd do whatever it took to claw his way into Olympus's inner circle. Now that the former Ares is gone and the coveted role has opened to anyone with the strength to claim it, he and his partner, Patroclus Fotos, plan to

both compete and double their odds of winning. Neither expect the infamous beauty Helen Kasios to be part of the prize...or for the sparks that fly when the three of them meet. Zeus may have decided Helen is his to give away, but she has her own plans. She enters the competition as a middle finger to the meddling Thirteen, effectively vying for her own hand in marriage. The

only people she can trust are the ones she can't quite keep her hands off- Achilles and Patroclus. But even they might not be strong enough to help her face the worst Olympus has to throw at them.."--
