GILL RILEY

Reveling in the

Excellencies of Jesus
Claire Love Publishing
Dr. Conway Edwards,
the singles pastor at
Oak Cliff Bible Church
in Texas, along with his
wife, Jada, writes from
the heart to Christian
singles about the best
way to prepare for
marriage. Discussing
courtship and dating
from a biblical
perspective, they also
share their personal
story- including the
mistakes they made
along the way. The
result is a thought-
provoking, encouraging
manual on making the
most of your single
years, and getting
yourself ready for
marriage. This hard-
hitting manual is both
warm and honest as
the Edwards share
their stories of singless
and marriage, as well
as unearth many gems
found in God's Word

regarding relationships
and the importance of
personal spiritual
maturity. Treasures
include: Definition of a
R.E.A.L. man Six
behaviors of a godly
man How women
S.E.R.V.E. as a
helpmate Eight
behaviors of a godly
woman Seven biblical
truths regarding
relationships and
marriage Using
F.A.I.T.H. to identify
lasting qualities in a
mate Seven-point
character inspection
Frequently Asked
Questions regarding
Christian dating and
relationships
**The Meaning of
Marriage** B&H
Publishing Group
It took Brian, my
husband, and me some
time to grasp the idea
of purity while we were
dating. After reading
our story, you'll see

that making the commitment to purity was just the beginning. We had tasted the forbidden fruit for a number of years. Then I got to know Jesus in a new and powerful way as I recovered from an eating disorder. Brian eventually followed, and we knew things had to change. We had the difficult task of trying to figure out how to have a Christian dating relationship, living in the Garden of Eden, so to speak, right next to the tree but resisting the habit and compulsion of reaching for that fruit. How close to the forbidden tree can you get? Can you actually hold the apple in your hand but not taste it? There is no hard-and-fast rule I can give you for where to draw the line. However, I will share

with you some lessons that I learned to show you how to build your relationship together through Christian dating. I will describe some strategies to keep the pilot light of your passion lit but under God's gentle control. Then, how does it work to take two imperfect people, joined under God to become one in a loving marriage?

[Finding Focus in Dating and Relationships](#)

WestBow Press

Discover the freedom, holiness, and beauty of sex in marriage.

Intimacy and sex should flow from an attitude of true selflessness. A verse-by-verse look at the Song of Solomon, Intimacy Ignited shows couples how to fire up and maintain the flames of a passionate

marriage. Sex plays a vital role in every healthy marriage, yet there's more to intimacy than just sex. If your marriage doesn't have the passion it once did, learn why romance and intimacy is all about being a servant lover. Part marriage manual, part commentary, and part Bible study, Intimacy Ignited is a great resource.

Facing the Complexities of Commitment with the Wisdom of God

Crossway

The Bible is well-known for its wisdom on spiritual concerns and righteous living. But did you know it can also guide you in matters of dating, courtship, and marriage? Wise and engaging, The Book of Romance digs deep

into the Song of Solomon and what it says about the Bible's most passionate lovers. As you learn about their relationship, you'll discover how you, too, can experience the deep emotional, sexual, and spiritual satisfaction that God created to be enjoyed in marriage.

The Life of God in the Soul of Man Crossway

A study designed to help students understand the biblical view of God's design for men and women. Through nine sessions students will examine gender through the lens of Scripture. For the vast majority of human history, there have been two culturally and socially recognized genders: women and men. Today, many leading

social institutions recognize well over fifty variations of gender. There are now biological women who identify as men and biological men who identify as women. There are people who refuse to conform to any one gender and people who are currently one gender but transitioning to another. There was a time when the concept of what made someone a man or a woman was quite simple. In less than a century, culturally speaking, that has completely changed. If there was ever a time when Christians needed to think carefully and biblically about the question of gender, that time is now. Despite our culture's many faceted ideas and designs about

gender, there is only one design that truly matters and takes precedent, God's. At the heart of the Christian faith is the belief that God created all things and that He is good. This tell us that God has a design for us, including our gender. In this study, we will seek to uncover and submit to, in Scripture, God's design for men and women.

1-2 Thessalonians

Thomas Nelson
Bestselling author Gary Thomas transforms the way you look at romantic relationships. His unique perspective on dating will prepare you for a satisfying, spiritually enriching marriage. In the revised edition of his hit book *The Sacred Search*, Gary Thomas helps single people of all ages make wise

marital choices by rethinking what basis those choices should be made on. You will be encouraged to think beyond finding your “soul mate” and instead adopt a more biblical search for a “sole mate”—someone who will walk with you on your spiritual journey. Thomas asks, What if we focused on why we should get married more than on who to marry? What if being “in love” isn’t a good enough reason to get married? And most of all, what if God designed marriage to make us holy more than to make us happy? The Sacred Search casts a vision for building a relationship around shared spiritual mission—and making marriage with eternity at its heart.

Outgrowing a Drive-Thru, Feel-Good Savior
Crossway

Award-winning writer and popular pastor Jared Wilson helps readers to see the pertinence and profundity of the gospel as he examines the astonishing things God has done in and through Christ.

[A Beautiful Design](#)

[Teen Bible Study Book](#)

B&H Publishing Group

The Reformers viewed the gospel as not merely one thing among many in the life of a church but rather the means by which the church exists. When the gospel is rightly declared and applied to God’s people, the church becomes “a creature of the Word.” She understands, embraces, and lives out the reality of

Christ's birth, life, death, and resurrection in more than her doctrinal statement.

The gospel impacts all the church is and does. Creature of the Word lays out this concept in full, first examining the rich, scripture-based beauty of a Jesus-centered church, then clearly providing practical steps toward forming a Jesus-centered church.

Authors Matt Chandler, Eric Geiger, and Josh Patterson write what will become a centering discussion piece for those whose goal is to be part of a church that has its theology, culture, and practice completely saturated in the gospel.

Leading Your Home through Time, Moments, and Milestones Baker Books

The most important disciple a parent will make is within their own home, and yet this is the most difficult disciple to make.

Family Discipleship by Matt Chandler and Adam Griffin helps readers develop a sustainable rhythm of gospel-centered discipleship through a guided framework focusing on moments of discipleship in 3 key areas: time (intentional time gathering your family around gospel activities or conversations), moments (leveraging opportunities throughout the day), and milestones (celebrating significant life events). Each section provides parents with Scriptures to consider, questions to answer, structures to implement, and

ideas to try out as they seek to see Christ formed in their children. Here is a book that begins with the end in mind, offering ideas and examples of what gospel-centered family discipleship looks like, helping parents design their own discipleship plan as they seek to raise children in the love and fear of the Lord.

A Book on Biblical Sex

WaterBrook Navigating the Four Critical Seasons of Relationship The vast majority of young people will still pass through the key phases of singleness, dating, engagement and marriage in their twenties. Yet they are delaying marriage longer than any generation in human history. Why? For the first time in history, the

average age for an American woman having her first child, 26, is younger than the average age of her first marriage, 27. More children than ever are growing up in fatherless homes, despite the overwhelming evidence that in every measurable way this is bad for the child. The Center for Disease Control also recently reported a dramatic rise in sexually transmitted disease nationwide. In Rhode Island alone, since the onset of online dating, reported cases of Syphilis has risen 79%, and HIV has increased by 33%. Though many young people can avoid early pregnancy and STDs, most cannot dodge the depression and feelings of isolation that

characterize this modern generation. Studies show a dramatic rise in self-reported loneliness among the young. All of our technological connectivity has not made us feel more connected. In many ways, the very screens that are meant to link us to others have become shields blocking us from the deep intimacy we crave. Many have discovered that where there is a lack of intimacy, addiction often rises to take its place. How can a young person navigate such troubled waters? Is there hope out there? Like a sailor on turbulent seas, we need to look up and see the North Star: the fixed points in the sky whereby we might navigate the objective

realities in life. We need the skill-set to know how to journey through life and how to select the right people to journey alongside. In this book we will chart a course through the four relational phases that the vast majority of human beings on the planet will pass through in their twenties: singleness, dating, engaged and married. In each of these phases, we will look at what eternal purposes should be pursued in each stage, and how to pursue them. SINGLENES: DEVOTION DATING: EVALUATION ENGAGED: UNIFICATION MARRIED: MISSION Our desires for intimacy are powerful. This power can be constructive or destructive. Our satisfaction and our

safety will be ensured if we can aim these powerful desires toward divine purposes.

God's Lavish Grace

Monarch Books

“Abide in my love.”

—John 15:9 As

followers of Christ, we long to grow in godliness, but we often find ourselves stuck.

Sin runs deep, we continue to fail, and we are easily tempted to give up. It doesn't have to be that way. In *How Does God Change Us?*, Dane Ortlund explains how those united to Jesus Christ do not need to look anywhere but to Christ himself for real growth. We change by going deeper into the same truths that saved us in the first place. With timeless counsel from historical Christian figures, Ortlund shows

you how to get traction in your spiritual walk, experience real change, and live out your invincible identity in Christ.

Radically Pursuing Each Other in Light of Christ's Relentless Love Crossway

You can't. God can. Life never lacks for improvement—in ourselves, in our relationships, in just about everything. But all our brave stabs at getting better, if they ever change anything, are incomplete at best, complete failures at worst. Sometimes much worse. Unless The gospel of Jesus Christ is the great “unless” of life—both for those who already believe (but can't believe the messes they're still capable of making), as well as those who don't yet

believe but just know their way isn't working. Recovering Redemption, written with a pastor's bold intensity and a counselor's discerning insight, takes you deeply into Scripture to take you deeply inside yourself, discovering that the heart of all our problems is truly the problem of our hearts. But because of what God has done, and because of what God can do, the most confident, contented person you know could actually be you—redeemed through Jesus Christ. None of us, really, can do what's required to change our lives for the better, taking what's persistently frustrating and making it perfectly satisfying. Yet as hopeless as that may sound, it is the

flat-line truth in which good news comes to life . . . to your life. For just as what's lost can be found, what's wrong can—even now—be recovered.

Simply Song of

Solomon Crossway
The Song of Solomon offers timeless insights on romance, dating, marriage, and sex. Using this ancient text, Matt Chandler navigates these issues for both singles and marrieds.

The Creator's Ideas about Love, Intimacy, and Marriage Moody Publishers

"A free-wheeling vehicle . . . an unforgettable ride!"—The New York Times
Cat's Cradle is Kurt Vonnegut's satirical commentary on modern man and his madness. An apocalyptic tale of this

planet's ultimate fate, it features a midget as the protagonist, a complete, original theology created by a calypso singer, and a vision of the future that is at once blackly fatalistic and hilariously funny. A book that left an indelible mark on an entire generation of readers, *Cat's Cradle* is one of the twentieth century's most important works—and Vonnegut at his very best. "[Vonnegut is] an unimitative and inimitable social satirist."—Harper's Magazine "Our finest black-humorist . . . We laugh in self-defense."—Atlantic Monthly
You and Me Forever: Marriage in Light of Eternity Penguin
Welcome to the age of unbelief. The church

can thrive here—this is a great time to be a Christian. All we need is... courage. Matt Chandler brings all his trademark passion, biblical insight, and warm humor to this stirring call to everyday Christians to take heart and make a difference. Book jacket.

Single, Dating, Engaged, Married

Crossway
This wonderful survey of the impact and outworking of God's grace in the life of the believer will revitalize the most threadbare faith.

God's Design for Love, Sex, Marriage and Redemption

Thomas Nelson
A provocative new book that calls Christians to stop making Jesus so "convenient"
Take Heart Tyndale

House Publishers, Inc. “Incredibly rich with wisdom and insight that will leave the reader, whether single or married, feeling uplifted.” —The Washington Times

Based on the acclaimed sermon series by New York Times bestselling author Timothy Keller, this book shows everyone—Christians, skeptics, singles, longtime married couples, and those about to be engaged—the vision of what marriage should be according to the Bible. Modern culture would have you believe that everyone has a soul mate; that romance is the most important part of a successful marriage; that your spouse is there to help you realize your potential;

that marriage does not mean forever, but merely for now; and that starting over after a divorce is the best solution to seemingly intractable marriage issues. But these modern-day assumptions are wrong. Timothy Keller, with insights from Kathy, his wife of thirty-seven years, shows marriage to be a glorious relationship that is also misunderstood and mysterious. The Meaning of Marriage offers instruction on how to have a successful marriage, and is essential reading for anyone who wants to know God and love more deeply in this life.

[Recovering Biblical Manhood and Womanhood \(Revised Edition\)](#) Crossway

Marriage is a profound and marvelous mystery established by God for his glory—and that is for our good. So many marital relationships never reach their greatest potential because they have the fatal limitation of being focused on one another. When our focus is solely on God, our marriages have the potential to thrive and not merely survive.

Recovering
Redemption

Multnomah
Human beings were created to reflect the image of God—but only to a limited extent. Although we share important attributes with God (love, mercy, compassion, etc.),

there are other qualities that only God possesses, such as unlimited power, knowledge, and authority. At the root of all sin is our rebellious desire to be like God in such ways—a desire that first manifested itself in the garden of Eden. In *None Like Him*, Jen Wilkin leads us on a journey to discover ten ways God is different from us—and why that's a good thing. In the process, she highlights the joy of seeing our limited selves in relation to a limitless God, and how such a realization frees us from striving to be more than we were created to be.
