Are you a keen student of astrology and now want to take the next steps? Have you ever wanted to know more about other systems, including Vedic or eastern astrology, to complement your existing knowledge? Have you found yourself being curious on how to utilise new predictive tools to derive deeper insights about yourself? If so, then this astrology book could elevate you to the next stage when it comes to understanding the fascinating world of astrology and open your eyes to how much more to astrology there is beyond the construction of a natal birth chart, understanding the zodiac signs, planets and houses. This book will teach you, in a simple way, how to confidently apply the principles of Vedic astrology to go beyond a basic knowledge of astrology and help you really get beneath the surface. Vedic Astrology: The Map of Destiny aims to give you the power to be able to interpret your Vedic chart in a way that unlocks the true direction of your life, including in love and life purpose. In this book you will discover: The building blocks of eastern astrology; and how western astrology provides a basis for the more complex techniques of eastern astrology, as well as explaining the differences and similarities in an accessible way so you can move to the next level. The mystery of the constellations: which are the secret keys to understanding the positions of the planets, as well as looking at the mythology and symbolism of each of the constellations or nakshatras and how their position will give you much more depth to your interpretations. The role of the Nodes: by looking at the North and South Nodes of the Moon and what their special significance is in Vedic astrology and why they are the secret to identifying your true desires in the material world as well as your secret obsessions and blind spots. The significance of the divisional charts: and the way that in Vedic astrology you have many more birth charts to analyse which together provide a complete road map to understanding different areas of your life. The planetary significators: which provide an extremely simple way of reading your chart by just looking at one key planet, through which you can gain insight into the most important people in your life, including your parents, siblings, spouse and children. The fate of your love life: and techniques with step-by-step examples that show you how to analyse the kind of love and marriage you may have, the characteristics of your partner, as well as information on how to predict the timing of key events in love. Your true life purpose: explored in the last section of the book, which guides you on how to find possible career directions based on your key eastern birth charts and planetary positions, as well as using the concept of karakas, to hone in on your vocation and life purpose. This book will help you get to grips with Vedic astrology and allow you to incorporate these exciting techniques to your existing astrological toolkit. This book allows you to go beyond the rote meanings of beginner astrology, go beyond using astrology to navigate the everyday, and start using astrology to really assist you in finding the way in which you can make your unique contribution to the world by tapping into your personal astrological signature. So, get this book today and get a new level of insight and increase your knowledge in your journey towards becoming a successful astrologer.

"Our job is to lovingly and consciously cooperate with the forces at work on this globe at this time. Astrology provides a way to link the individual with a conscious attunement to the planetary forces that are part of and affect the whole." More than fifteen years ago, Alan Oken pioneered the development of New Age astrology with the publication of three books collected in this comprehensive edition. Now, newly updated, Alan Oken's Complete Astrology charts the cosmological pathway to greater personal fulfillment and spiritual attunement through a deeper, more intuitive understanding of our own power--and the age we live in. Featuring state-of-the-art astrological charts and diagrams, line drawings, charts of contemporary celebrities, an exhaustive bibliography and much more, this new edition of the classic trilogy is one of the most accessible and informative guides to the heavens ever written. For beginners and experts alike, Alan Oken's Complete Astrology is your key to understanding the laws of the new planetary age.

In this complete, step-by-step guide to determining astrological compatibility between two people, the author reveals insights into love relationships as well as connections that are often overlooked in other astrology books such as friendships, working relationships, and parent-child relationships. By comparing the charts of ordinary as well as famous couples, The Astrology of Whole Relationships delves deeply into emotional, intellectual, and sexual compatibility, how karma determines planetary positions, and important indicators of a soul mate connection between two people.

Moon and Astrology Planner 2022 Adams Media

Many people need to know about their financial status, growth in career and their future whether it is going to improve or is it going to get worse. Zodiac denotes an annual cycle of twelve signs and the apparent path of the Sun across the heavens. The term Zodiac and the names of the twelve signs are today mostly associated with horoscope astrology. Your zodiac signs give a summary about the basic characteristics of your personality, nature, area of interest, your strengths, weaknesses, personal life, professional life. Your date of birth determines which one is your zodiac sign. The dates assigned to the signs of the zodiac are given in front of each zodiac sign below. Different astrologers assign slightly different dates to these zodiac signs. A horoscope divided into twelve zodiac signs can predict a Kundali chart, which defines the pathways of various planets and stars. The zodiac signs that help in defining your horoscope include Aries, Taurus, Gemini, Cancer, Leo, Virgo, Libra, Scorpio, Sagittarius, Capricorn, Aquarius, and Pisces. Horoscope is a placement of planets and stars during the birth of any individual in an astrological chart which is calculated with the relevance of date, time and birth place of a person. This chart can also be calculated for an event, a question, countries, and occasions. Various symbols are used which represent planets, signs and geometric connections. This varies from person to person due to the continuous transition of planets. Horoscope is the first step to make astrological calculations. Horoscope can be used to predict future, past and present of a person. Other than this, various aspects of life including career, love, marriage, relationships etc can also be predicted by a horoscope. In Indian culture, every important work of life is done by drawing calculations from the horoscope. An accurate judgement of a horoscope is very important and is the main objective of studying astrology. Prediction of the right horoscope is very important that an astrologer should know complete calculations along with the use of new computing methods. Astrology is not knowing your future, but planning your future by averting the mishapenness by action at the right time and wearing Gems, wearing Yantras, chanting Mantras and Prayers. It is important to realize that success comes only with the right actions at the right timing. JP Morgan made a fortune using astrology for "Right Timing." This knowledge is made available to you through this book. By using the book, your life will be more prosperous than ever before. It is important to work "Smartly" but not hard. This Book gives you the followings: 1. More rewarding life. 2. Pictures of your career and love life. 3. Ever dream of becoming a Star. 4. Financial fortune in life. 5. The "Best you can be every day." 6. Start of a professional practice. 7. Predict Horoscope of individual of choice. Money controls the way we live our lives, and this amazing readings of Zodiac signs will give you the insight, you need to take control of your financial future. It could be one of the most important readings that you will get through this Book that can truly change your life. This Book will isolate time to capture the situation and reveal its significance. So you got your first astrology chart. Maybe an interpretation, too. But don't you want to know more? What is that big circle in the center? What are those strange, arcane symbols? What does it all mean? All of those questions, and many more, are fully answered in What Astrology Can Do for You. Stephanie Jean Clement, Ph.D., has been a board member of the American Federation of Astrologers for almost a decade. Her explanations of what you see on the horoscope are clear and easy to understand. Once you read this book you'll know the truth about what astrology is and what it is not. Then you'll really know how astrology can improve your life. This book explains that

astrology is not like a psychic reading. Nor does it speak in generalities. You'll discover that astrology can help you learn more about yourself, overcome limitations, discover opportunities, find lost objects, forecast trends, select the best place to live, learn about your spiritual development, and relate to your children better. With astrology neither the skies nor the stars are the limit - your potential is infinite! This book won't make you an expert astrologer. It will give you a complete, basic overview of astrology. You will know what the horoscope, the houses, and the zodiac signs are. You'll learn about the planets in your chart. You'll learn how the planets relate to each other (aspects). You'll even see how your chart at birth, and your chart for your location now, can give you guidance and advice for months or years to come. Simply put, you'll learn What Astrology Can Do for You. This book is designed for people just starting to get interested in astrology. But if you've been involved in astrology for a long time you shouldn't ignore it. In it you'll find ways to better explain the horoscope and its symbols. It also makes a great gift to your clients.
