Led by an Unseen Hand The Time of Our Singing
 A Novel
 Anna Eikenhout (1902-1986) was an honors graduate of Ohio State University, a fine-arts librarian, a skilled pianist, and an avid reader in three languages. Harlan Hubbard (1900-1988), a little-known painter and would-be shantyboater, seemed an unlikely husband, but together they lived a life out of the pages of Thoreau's Walden. Much of what is known about the Hubbards comes from Harlan's books and journals. Concerning the seasons and the landscape, his writing was rapturous, yet he was emotionally reticent when discussing human affairs in general or Anna in particular. Yet it was through her efforts that their life on the river was truly civilized. Visitors to Payne Hollow recall Anna as a generous, gracious hostess, whose intelligence and artistry made the small house seem grander than a mansion.

J. S. Bach composed some of the best-loved and most moving music in Western culture. Surviving mostly in manuscript collections, his music also exists in special and unique publications that reveal much about his life and thoughts as a composer. In this book, Peter Williams, author of the acclaimed *J. S. Bach: A Life in Music*, revisits Bach's biography through the lens of his music. Reviewing all of Bach's music chronologically, Williams discusses the music collection by collection to reveal the development of Bach's interests and priorities. While a great deal has been written about the composer's vocal works, Williams gives the keyboard music its proper emphasis, revealing it as crucial to Bach's biography, as a young organist and a mature composer, as a performer in public and teacher in private, and as a profound thinker in the language of music.

Publishing for the centenary of her birth, Patricia Highsmith's diaries "offer the most complete picture ever published" of the canonical author (New York Times). Relegated to the genre of

mystery during her lifetime, Patricia Highsmith is now recognized as one of “our greatest modernist writers” (Gore Vidal). Beloved by fans who were unaware of the real psychological turmoil behind her prose, the famously secretive Highsmith refused to authorize a biography, instead sequestering herself in her Switzerland home in her final years. Posthumously, her devoted editor Anna von Planta discovered her diaries and notebooks in 1995, tucked in a closet—with tantalizing instructions to be read. For years thereafter, von Planta meticulously culled from over eight thousand pages to help reveal the inscrutable figure behind the legendary pen. Beginning with her junior year at Barnard in 1941, Highsmith ritualistically kept a diary and notebook—the former to catalog her day, the latter to brainstorm stories and hone her craft. This volume weaves diary and notebook simultaneously, exhibiting precisely how Highsmith’s personal affairs seeped into her fiction—and the sheer darkness of her own imagination. Charming yet teetering on the egotistical, young “Pat” lays bare her dizzying social life in 1940s Greenwich Village, barhopping with Judy Holliday and Jane Bowles, among others. Alongside Flannery O’Conner and Chester Himes, she attended—at the recommendation of Truman Capote—the Yaddo artist colony in 1948, where she drafted *Strangers on a Train*. Published in 1950 and soon adapted by Alfred Hitchcock, this debut novel brought recognition and brief financial security, but left a heartsick Highsmith agonizing: “What is the life I choose?” Providing extraordinary insights into gender and sexuality in mid-twentieth-century America, Highsmith’s diaries convey her euphoria writing *The Price of Salt* (1951). Yet her sophomore novel would have to be published under a pseudonym, so as not to tarnish her reputation. Indeed, no one could anticipate commercial reception for a novel depicting love between two women in the McCarthy era. Seeking relief from America, Highsmith catalogs her peripatetic years in Europe, subsisting on cigarettes and growing more bigoted and satirical with age. After a stay in Positano with a new lover, she reflects in her notebooks on being an expat, and gleefully conjures the unforgettable *The Talented Mr. Ripley* (1955); it would be this sociopathic antihero who would finally solidify her true fame. At once lovable, detestable, and mesmerizing, Highsmith put her turbulent life to paper for five decades, acutely aware there must be “a few usable things in literature.” A memoir as significant in our own century as Sylvia Plath’s journals and Simone de Beauvoir’s writings were to another time, *Patricia Highsmith: Her Diaries and Notebooks* is an historic work that chronicles a woman’s rise against the conventional tide to unparalleled literary prominence.

In the present book, scholars and activists from a variety of disciplinary perspectives engage each other around the topic of forgiveness. They examine its benefits and costs, its motives, and its limitations. The different voices do not sing in unity, but by the end of the book, you might conclude that some times of beautiful harmony were heard.

"An extraordinary saga." --David Grann, New York Times bestselling author of Killers of the Flower Moon The mesmerizing account of a granddaughter's search for a World War II family history hidden for sixty years Growing up in Paris as the daughter of a German mother and an Irish father, Svenja O'Donnell knew little of her family's German past. All she knew was that her great-grandparents, grandmother, and mother had fled their home city of Königsberg near the end of World War II, never to return. But everything changed when O'Donnell traveled to the city--now known as Kaliningrad, and a part of Russia--and called her grandmother, who uncharacteristically burst into tears. "I have so much to tell you," Inge said. In this transporting and illuminating book, the award-winning journalist vividly reconstructs the story of Inge's life from the rise of the Nazis through the brutal postwar years, from falling in love with a man who was sent to the Eastern Front just after she became pregnant with his child, to spearheading her family's flight as the Red Army closed in, her young daughter in tow. Ultimately, O'Donnell uncovers the act of violence that separated Inge from the man she loved; a terrible secret hidden for more than six decades. A captivating World War II saga, Inge's War is also a powerful reckoning with the meaning of German identity and inherited trauma. In retracing her grandmother's footsteps, O'Donnell not only discovers the remarkable story of a woman caught in the gears of history, but also comes face to face with her family's legacy of neutrality and inaction--and offers a rare glimpse into a reality too long buried by silence and shame.

Chaconne is the story of an apprenticeship - in life, love and early music - in which not the least of the obstacles standing in the way of Eleanor's becoming who she might be is Eleanor Weston herself. Against the Cold War craziness of the early 1980s, the novel traces, with wit as well as lyricism, a young Australian woman's failed pursuit of love with a bourgeois communist in Paris and her subsequent shift to the periphery of a US airbase in the Rhineland, where she stumbles into marriage with a seemingly harmless American. When Thomas, a successful harpsichordist and self-hating German, comes to the village to recuperate after a nervous collapse, he and Eleanor form a deep musical connection that not only sets her voice free but allows her to find, in the crisis that ensues, more nerve and resolve than she ever knew she had.

In this delightful set of Conversations, the French writer François Hudry leads the tenor Hugues Cuenod on a voyage through the singer's life. By his intelligent and well informed questions, Hudry gently guides Cuenod on a series of visits to the great and the near-great with whom the singer has worked during his long and productive life. He tells us of his relationships with such legends as Mary Garden, Nadia Boulanger, Igor Stravinsky, and Ernest Ansermet. Cuenod's manner is relaxed and witty, his anecdotes sometimes mischievous. On every page of this little book, the insouciance and charm of this marvelous artist shines like sunlight. With an informative introduction by the international accompanist, Graham Johnson, and a masterful translation by the American harpsichordist, Albert Fuller, Hugues Cuenod: With an Agile Voice initiates Pendragon's new series LIVES IN MUSIC in the most entertaining manner. Illustrations, bibliography, and a complete new discography round out this invaluable volume.
