*An Entrepreneur's Guide* ReadHowYouWant.com  
 It is a masterful book of the spirit, challenging us to wake up in every aspect of our lives.  
*Rediscovering Life* Bantam  
 Anthony de Mello was a Jesuit priest from India. He fuses spiritual ideas from many religions in a way that makes them accessible to readers. This book is in the form of a lecture at a retreat and it deals with the notion that we walk through life in a kind of sleep that prevents us from achieving a real connection to God and to ourselves. This book contains the following lectures: On Waking Up Will I Be Of Help To You? On The Proper Kind Of Selfishness On Wanting Happiness Are We Talking About Psychology In This Spirituality Course? Neither Is Renunciation The Solution Listen And Unlearn What's On Your Mind? Good Bad Or Lucky Our Illusion About Others Self-Observation Awareness Without Evaluating Everything The Illusion Of Rewards Finding Yourself Stripping Down To The 'I' Negative Feelings Toward Others On Dependence How Happiness Happens Fear The Root Of Violence

**The Art of Discovering the Happiness Within** Gujarat Sahitya Prakash

Can you imagine how liberating it would be to never be disillusioned again, never be disappointed again, never feel let down again? Want to wake up, come alive, and be free? Anthony De Mello's *Stop Fixing Yourself* is the answer you have been looking for. The question Anthony De Mello's *Stop Fixing Yourself* poses and successfully answers is: Can you attain enlightenment without the slightest effort on your part? Spiritual seekers exhausted from years of fruitless striving might well sigh deeply

and think, "If only that were true." Well, Anthony De Mello asserts it is true. *Stop Fixing Yourself: Wake Up, All Is Well* provides the simple path to living an enlightened life. De Mello tells us that if you are watchful and awake, all that is false and neurotic within you will drop away and you will begin to live increasingly from moment to moment in a life made whole and happy and transparent through awareness. Awareness transforms you from a seeker to a finder, opening your eyes to the reality of the love, peace, and beauty that has always surrounded you. Awareness will set you free. In *Stop Fixing Yourself*, De Mello's down-to-earth teaching method helps you discover true awareness, releasing the divinity all around you and making your life meaningful, beautiful, and prosperous.

### **Spiritual Enlightenment:: The Damnedest Thing**

Createspace Independent Publishing Platform

Shares a new way to look at the world and God, by being aware of the circuitous and habitual nature of thought, allowing readers to find hope and release feelings of isolation, anger, depression, and sadness.

*One Blade of Grass Sounds True*

Instant New York Times Advice & Business Bestseller, USA Today Bestseller, and Wall Street Journal #1 Bestseller! A New York Times Noteworthy Pick and a "stellar work" by Publishers Weekly From the bestselling authors of *The Daily Stoic* comes an inspiring guide to the lives of the Stoics, and what the ancients can teach us about happiness, success, resilience and virtue. Nearly 2,300 years after a ruined merchant named Zeno first established a school on the Stoa Poikile of Athens, Stoicism has found a new audience among those who seek greatness, from athletes to politicians and everyone in between. It's no wonder; the philosophy and its embrace of self-mastery, virtue, and indifference to that which we cannot control is as urgent today as it was in the chaos of the Roman Empire. In *Lives of the Stoics*, Holiday and Hanselman present the fascinating lives of the men and women who strove to live by the timeless Stoic virtues of Courage. Justice. Temperance. Wisdom. Organized in digestible, mini-biographies of all the well-known--and not so well-known--Stoics, this book vividly brings home what Stoicism was like for the people who loved it and lived it, dusting off powerful lessons to be learned from their struggles and successes. More than a mere history book, every example in these pages, from Epictetus to Marcus Aurelius--slaves to emperors--is designed to help the reader apply philosophy in their own lives. Holiday and Hanselman unveil the core values and ideas that unite figures from Seneca to Cato to Cicero across the centuries. Among them are the idea that self-rule is the greatest empire, that character is fate; how Stoics benefit from preparing not only for success, but failure; and learn to love, not merely accept, the hand they are dealt in life. A treasure of valuable insights and stories, this book can be visited again and again by any reader in search of inspiration from the past.

### **Awareness Image**

Anthony deMello, an Indian Jesuit who died in 1987, was along the most popular and influential spiritual teachers of our time. Through his books and retreats he achieved a world-wide following that has only continued to grow in recent years. But who was Anthony deMello? What were the sources that nourished his spiritual development? In this biography, Bill deMello, Tony's younger brother, provides an honest and intimate portrait.

*A Book of Story Meditations Image*

Essential writings provide a penetrating introduction to the Indian Jesuit who bridged East and West with his stories and parables.

### **Anthony De Mello Image**

An inspirational course on the spiritual life focuses on the theme of awareness, discussing the issues of change, suffering, and

loss, and explaining how to cope with one's emotions

*Praying Naked Image*

A series of spiritual exercises which combine Eastern meditation techniques with Christian prayer is designed to aid in achieving inner peace

*Awareness Plume*

Offers thirty-one meditations, each preceded by a Gospel quotation, providing insight on the ultimate question of love.

### **Stop Fixing Yourself Image**

The posthumous sequel to his highly successful *Taking Flight*, this collection of 200 little stories features great wisdom from religions all over the world, human nature, relationships, service, and enlightenment.

### **The Last Meditations of Anthony de Mello Image**

"Wisdom from one of the greatest spiritual masters of our time."—James Martin, SJ, author of *Jesus: A Pilgrimage* The heart of Anthony de Mello's bestselling spiritual message is awareness. Mixing Christian spirituality, Buddhist parables, Hindu breathing exercises, and psychological insight, de Mello's words of hope come together in *Awareness* in a grand synthesis. In short chapters for reading in quiet moments at home or at the office, he cajoles and challenges: We must leave this go-go-go world of illusion and become aware. And this only happens, he insists, by becoming alive to the needs and potential of others, whether at home or in the workplace. Here, then, is a masterful book of the spirit, challenging us to wake up in every aspect of our lives.

*The Self Discovered Bantam*

This is a book about a path for reaching God in our own time,' says Anthony De Mello at the beginning of *Walking on Water*. As he moves us along that path, he blends Christian wisdom with Eastern methods of meditation and, in his own inimitable style, draws widely on stories of monks, rabbis, and soldiers, fairy tales and legends, gentle jokes and Zen sayings, along with numerous simple exercises. Fresh, lively, and absorbing, Anthony De Mello's extraordinary insights into the reality of human life, and its divine origins and destination, will come as a breath of fresh air and encouragement to everyone who seeks meaning and purpose in our turbulent world.

### **Awareness Image**

The chapters of this book are nothing but mirrors for seeing your "self" from different angles. And though the journey we are about to embark on is an inner one, it will draw upon every aspect of your life. The only requirement asked of you is the willingness to honestly look at yourself in the most natural, intuitive manner. Remember, if we are seeking the root of "self," what we are actually seeking is you. As you read through these pages, you will find that you know much more than you thought you did about some very deep subjects. The fact is, you already know how to find yourself; you have just gotten distracted and disoriented. Once refocused, you will realize that you not only have the ability to find yourself, you have the ability to free yourself. Whether you choose to do so or not is entirely up to you. But upon completion of your journey through these chapters, there will be no more confusion, no more lack of empowerment, and no more blaming others. You will know exactly what must be done. And should you choose to devote yourself to the ongoing journey of self-realization, you will develop a tremendous sense of respect for who you really are. It is only then that you will come to appreciate the full depth of meaning in the advice: "This above all: to thine own self be true." ---- Introduction

*Seek God Everywhere Simon and Schuster*

*I Am Not Perfect* is a simple statement of profound truth, the first step toward understanding the human condition, for to deny your essential imperfection is to deny yourself and your own humanity. The spirituality of imperfection, steeped in the rich traditions of

the Hebrew prophets and Greek thinkers, Buddhist sages and Christian disciples, is a message as timeless as it is timely. This insightful work draws on the wisdom stories of the ages to provide an extraordinary wellspring of hope and inspiration to anyone thirsting for spiritual growth and guidance in these troubled times. Who are we? Why do we so often fall short of our goals for ourselves and others? By seeking to understand our limitations and accept the inevitability of failure and pain, we begin to ease the hurt and move toward a greater sense of serenity and self-awareness. *The Spirituality Of Imperfection* brings together stories from many spiritual and philosophical paths, weaving past traditions into a spirituality and a new way of thinking and living that works today. It speaks to anyone who yearns to find meaning within suffering. Beyond theory and technique, inside this remarkable book you will find a new way of thinking, a way of living that enables a truly human existence.

**Meditations** Columba Press (IE)

In his books *Awareness* and *The Way to Love*, among others, the internationally acclaimed spiritual guide Anthony de Mello presented an approach to spirituality that integrated the ancient traditions of the East with the psychological and philosophical perspectives of the West. Twenty years after his death, de Mello's books continue to attract readers and his work remains a powerful influence on contemporary spiritual thought and practices. J. Francis Stroud, S.J., who helped de Mello with his hugely successful lectures, seminars, and books, has dedicated himself to keeping de Mello's teachings alive through the de Mello Spirituality Center at Fordham University. In *Praying Naked*, Father Stroud draws on his peerless understanding of de Mello's works to help readers keep their lives on track and navigate their own spiritual journeys. In clear, simple language, he explains how to master de Mello's approach to meditation and shows that meditating for even as little as three minutes a day can resolve the problems caused by difficult life conditions and guide us on the quest for spiritual happiness, self-discovery, and self-awareness.

[Reflections on the Spiritual Exercises of St. Ignatius](#) Image

We've all done dumb stuff in our lives. We all have regrets. Yet none of us plans to mess up our lives. Why, then, does it keep happening? Life doesn't have to be that way. You can fool-proof your life...as this book shows. God's promise and pattern is for something better. In *The Best Question Ever*, Andy Stanley effectively teaches the practical and lasting value of simply asking this question about our actions in all of life's arenas: What is the wise thing for me to do, in light of my past experience, my present circumstances, and my future hopes and dreams? This book probes for honesty—it pushes us to open our eyes to reality and helps us expose the little (and big) self-deceptions we have. Prepare yourself. You are about to be introduced to a single question that will revolutionize the way you make decisions. Over the past twenty years, speaker and author Andy Stanley has shared the power of this question with thousands of students and adults all over the country. In this ground-breaking new book, Andy provides you with a filter through which to evaluate every

decision in every arena of your life. As you are about to discover, the Best Question Ever will bring clarity to decisions involving your finances, your love life, your schedule, even your career. People everywhere agree that their greatest regret could have been avoided had they asked the Best Question Ever and then acted on their conclusions. A time-tested truth that has immediate application, the Best Question Ever has the power to change the trajectory of your entire life. *Story Behind the Book* After continually making decisions that were short-sighted and hasty, Andy Stanley sought counsel. In Ephesians 5:15 he read, "Be very careful, then, how you live—not as unwise but as wise." It was there that Andy discovered what he considers to be The Best Question Ever. From the Hardcover edition.

**The Divine Life Upon Earth** Paulist Press

Why are more and more psychotherapists embracing meditation practice, while so many Buddhists are exploring psychology? "Both psychology and Buddhism seek to provide freedom from suffering," explains Bruce Tift, "yet each offers a completely different approach for reaching this goal." In *Already Free*, Tift opens a fresh and provocative dialogue between these two profound perspectives on the human condition. Tift reveals how psychotherapy's "Developmental" approach of understanding the way our childhood wounds shape our adult selves both contradicts and supports the "Fruitional" approach of Buddhism, which tells us that the freedom we seek is always available. In this investigation, he uncovers insights for connecting with authentic experience, releasing behaviors that no longer serve us, enhancing our relationships, and more. "When we use the Western and Eastern approaches together," writes Bruce Tift, "they can help us open to all of life—its richness, its disturbances, and its inherent completeness."

**Already Free** Catapult

Through profound spiritual insights and his unique approach to the inner life, internationally acclaimed author Anthony de Mello points the way toward new levels of contemplation, happiness, love, wisdom, and enlightenment. In more than two hundred parables and lessons about living life fully yet simply, de Mello gives examples filled with wisdom that cannot be conveyed in regular direct discourse. Rooted in the spirit of the Gospel and spanning the mystical traditions of East and West, this invigorating volume -- like all the author's previous books -- is intended to enliven our faith and free us from whatever imprisons our mind, body, and soul. *One Minute Wisdom* will lead from sense to sensitivity, from mood to meaning, from thought to feeling. And as de Mello writes, "Wisdom can come without the slightest effort—in the time it takes to open your eyes." Wherever your spiritual belief may lie—or even if you have no beliefs at all—you will find in these pages needed and helpful direction on continuing the process of self-discovering and on finding the satisfying riches that lie deep within you.

*Sadhana, a Way to God* Image

A close friend and associate of Anthony de Mello shares for the first time not only personal conversations and reminiscences, but also de Mello's own words as recorded during a 15-day retreat in India.
