Richard Owen was, after Darwin, the most important figure in Victorian natural history. He was, for most of the six decades of his career, Britain's foremost comparative anatomist and vertebrate

palaeontologist. As the most renowned opponent of natural selection, Owen was type-cast as a Cuvierian creationist and became the bete noire of the Darwinian evolution debate. In this comprehensive intellectual and scientific biography, Nicolaas Rupke argues that Owen was no simple-minded anti-evolutionist and, moreover, should be freed from the distortion of the evolution dispute that was only a minor part of his work, yet has come to dominate his memory.

Hope for Judas Harper Collins

The headlines are clear: religion is on the decline in America as many people leave behind traditional religious practices. Diana Butler Bass, leading commentator on religion, politics, and

culture, follows up her acclaimed book *Christianity After Religion* by arguing that what appears to be a decline actually signals a major transformation in how people understand and experience God. The distant God of conventional religion has given way to a more intimate sense of the sacred that is with us in the world. This shift, from a vertical understanding of God to a God found on the horizons of nature and human community, is at the heart of a spiritual revolution that surrounds us – and that is challenging not only religious institutions but political and social ones as well. *Grounded* explores this cultural turn as Bass unpacks how people are finding new spiritual ground by discovering and embracing God everywhere in the world around us—in the soil, the water, the sky, in our homes and neighborhoods, and in the global commons. Faith is no longer a matter of mountaintop experience or institutional practice; instead, people are connecting with God through the environment in which we live. *Grounded* guides readers through our contemporary spiritual habitat as it points out and pays attention to the ways in which people experience a God who animates creation and community. Bass brings her understanding of the latest research and studies and her deep knowledge of history and theology to *Grounded*. She cites news, trends, data, and pop culture, weaves in spiritual texts and ancient traditions, and pulls it all together through stories of her own and others' spiritual journeys. *Grounded* observes and reports a radical change in the way many people understand God and how they practice faith. In doing so, Bass invites readers to join this emerging spiritual revolution, find a revitalized expression of faith, and change the world.

Christian Leaders Reflect on His Questions of Faith Harper Collins

The New York Times bestselling author of *The Jesuit Guide to (Almost) Everything* turns his attention to the relationship between LBTGQ Catholics and the Church in this loving, inclusive, and revolutionary book. On the day after the Orlando nightclub shooting, James Martin S.J. appeared in a video on Facebook in which he called for solidarity with our LGBTQ brothers and sisters. "The largest mass shooting in US history took place at a gay club and the LGBTQ community has been profoundly affected" he began. He then implored his fellow Catholics-and people everywhere-to "stand not only with the people of Orlando but also with their LGBTQ brothers and sisters. . . . Sadly of all the US Catholic bishops who expressed their condolences after the shooting, only one that I know . . . made any explicit reference to the LGBT community." A powerful call for tolerance, acceptance, and support—and a reminder of Jesus' message for us to love one another—Father Martin's post went viral and was viewed more than 1,6 million times. Now, Martin expands on his reflections in this moving and inspiring book, offering a powerful, loving, and much-needed voice in a time marked by anger, prejudice, and divisiveness. Adapted from a talk he gave to New Ways Ministry, a group that ministers to and advocates for LGBT Catholics, *Building a Bridge* provides a roadmap for repairing and strengthening the bonds that unite all of us as God's children. Martin uses the image of a two-way bridge for LGBTQ Catholics and the Church to come together in a call to end the "us" versus "them" mentality. Turning to the Catechism, he draws on the three criteria at the heart of the Christian ministry—respect, compassion, and sensitivity—as a model for how the Catholic Church should relate to the LGBT community.

Ronald Rolheiser makes sense of what is frequently a misunderstood word: spirituality. In posing the question "What is spirituality?" Father Rolheiser gets quickly to the heart of common difficulties with the subject, and shows through compelling anecdotes and personal examples how to channel that restlessness, that deep desire, into a healthy spirituality. This book is for those searching to understand what Christian spirituality means and how to apply it to their own lives. Rolheiser explains the nonnegotiables—the importance of community worship, the imperatives surrounding social action, the centrality of the Incarnation, the sustenance of the spiritual life—and how spirituality necessarily impacts every aspect of human experience. At the core of this readable, deeply revealing book is an explanation of God and the Church in a world that more often than not doubts the credibility of both.

Meeting Jesus in Prayer Ave Maria Press

Experiencing the Truth communicates the need of a vibrant, experiential, Reformed Christianity among African-Americans and all believers. How does a believer choose a church to attend? Sadly too many Christians search for churches that serve them and meet their perceived needs. Instead they should prefer places where God is exalted and biblical truth and Christian doctrine are proclaimed. Such churches are essential if Christians are to understand what God is doing and what he calls His people to be. *Experiencing the Truth* presents these truths not simply to African-American churches, but also to the whole church today. Anthony Carter, Michael Leach, and Ken Jones clearly present the need for a vibrant, experiential, Reformed Christianity among African-Americans. These authors lay out the biblical basis for choosing and attending a church, and they demonstrate how the historic Reformed expression has been the most biblically accurate and experientially consistent expression of Christianity.

In *What Did Jesus Ask?*, 65 of today's leading spiritual writers, thinkers, and artists offer modern meditations on the questions that Jesus posed in the Bible to teach his followers how to think like a Christian and consider their personal faith.

As a teacher, Jesus Christ put many of his lessons in the form of questions. The gospels record more than 300 of them. Some are rhetorical, needing no answer, but most were real questions posed to real people. Many of Jesus' questions are familiar to readers today, yet the context and the potential interpretations of such phrases will offer enlightenment to many. Organized by Biblical verse, these 65 enigmatic questions include:

"You of little faith, why did you doubt?" - Matthew 14:31

"Do you have eyes but fail to see, and ears but fail to hear?" - Mark 8:18

And now, *What Did Jesus Ask?* poses those questions to many of today's prominent religious figures, scholars and thought leaders to contemplate and interpret. Contributors include bestselling singer/songwriters Amy Grant and Michael W. Smith, Christian leaders Barbara Taylor and Cardinal Wuerl of Washington, and bestselling authors James Martin and Sarah Young, and many more. Including a foreword by Nancy Gibbs, bestselling author and managing editor of *TIME* magazine, *What Did Jesus Ask?* is a thought-provoking volume for both readers interested in religious thought and understanding the teachings of Jesus better.

Holy Land Pilgrimage HarperCollins

Based on his talks at New York's St. Patrick's Cathedral on Good Friday 2015, the New York Times bestselling author and editor at large of *America* magazine offers a portrait of Jesus, using his last words on the cross to reveal how deeply he understood our predicaments, what it means to be fully human, and why we can turn to Christ completely, in mind, heart, and soul. Each meditation is dedicated to one of the seven sayings: "Father, forgive them, for they do not know what they do." "Today you will be with me in Paradise." "Woman, this is your son" . . . "This is your mother." "My God, my God, why have you forsaken me?" "I thirst." "It is finished." "Father, into your hands I commend my spirit." With the warmth, wisdom, and grace that infuse his works, Father James Martin explains why Jesus's crucifixion and death on the cross is an important teaching moment in the Gospels. Jesus's final statements, words that are deeply cherished by his followers, exemplify the depth of his suffering but also provide a key to his empathy and why we can connect with him so deeply.
