JORDAN GEORGE

Writing and Reporting for the Media Cosimo, Inc.

The Purple Decades brings together the author's own selections from his list of critically acclaimed publications, including the complete text of Mau-Mauing and the Flak Catchers, his account of the wild games the poverty program encouraged minority groups to play.

Writing and Reporting for the Media John Wiley & Sons

Writing and Reporting News You Can Use instructs students on how to produce news that is informative, interesting, educational, and most importantly, compelling. It addresses roadblocks to student interest in writing news, using illustrative examples and exercises to help them understand how to write news that is interesting and accurate. Trujillo's hands-on approach is based on real-world strategies that deal with audience and market characteristics. Students are writing from the very beginning while also getting the ethical and legal grounding necessary to understand the field. This textbook is a complete resource for students learning broadcast news, including how to get a job after leaving the classroom.

The Big Book of Shockers Oxford University Press, USA

The inside story of the laptop that exposed the president's dirtiest secret. When a drug-addled Hunter Biden abandoned his waterlogged computer at a Mac repair shop in Delaware in the spring of 2019, just six days before his father announced his candidacy for the United States presidency, it became the ticking time bomb in the shadows of Joe Biden's campaign. The dirty secrets contained in Hunter's laptop almost derailed his father's presidential campaign and ignited one of the greatest media coverups in American history. This is the unvarnished story of what's really inside the laptop and what China knows about the Bidens, by the New York Post journalist who brought it into the open. It exposes the coordinated censorship operation by Big Tech, the media establishment, and former intelligence operatives to stifle the New York Post's coverage, in a chilling

exercise of raw political power three weeks before the 2020 election. A treasure trove of corporate documents, emails, text messages, photographs, and voice recordings, spanning a decade, the laptop provided the first evidence that President Joe Biden was involved in his son's ventures in China, Ukraine, and beyond, despite his repeated denials. This intimate insight into Hunter's dissolute lifestyle shows he was incapable of holding down a job, let alone being paid tens of millions of dollars in high-powered international business deals by foreign interests, unless he had something else of value to sell—which of course he did. He was the son of the vice president who would go on to become the leader of the free world.

Reporting and Writing the News Oxford University Press, USA

In this triumphant memoir, Carl Bernstein, the Pulitzer Prize-winning coauthor of *All the President's Men* and pioneer of investigative journalism, recalls his beginnings as an audacious teenage newspaper reporter in the nation's capital—a winning tale of scrapes, gumshoeing, and American bedlam. In 1960, Bernstein was just a sixteen-year-old at considerable risk of failing to graduate high school. Inquisitive, self-taught—and, yes, truant—Bernstein landed a job as a copyboy at the Evening Star, the afternoon paper in Washington. By nineteen, he was a reporter there. In *Chasing History: A Kid in the Newsroom*, Bernstein recalls the origins of his storied journalistic career as he chronicles the Kennedy era, the swelling civil rights movement, and a slew of grisly crimes. He spins a buoyant, frenetic account of educating himself in what Bob Woodward describes as "the genius of perpetual engagement." Funny and exhilarating, poignant and frank, *Chasing History* is an extraordinary memoir of life on the cusp of adulthood for a determined young man with a dogged commitment to the truth.

An Introduction to News Reporting and Writing Basic Books

8 starred reviews · Goodreads Choice Awards Best of the Best · William C. Morris Award Winner · National Book Award Longlist · Printz Honor Book · Coretta Scott King Honor Book · #1 New York Times Bestseller! "Absolutely riveting!" —Jason Reynolds "Stunning." —John Green "This story is necessary. This story is important." —Kirkus (starred review) "Heartbreakingly topical."

—Publishers Weekly (starred review) "A marvel of verisimilitude."

—Booklist (starred review) "A powerful, in-your-face novel."

—Horn Book (starred review) Sixteen-year-old Starr Carter moves between two worlds: the poor neighborhood where she lives and the fancy suburban prep school she attends. The uneasy balance between these worlds is shattered when Starr witnesses the fatal shooting of her childhood best friend Khalil at the hands of a police officer. Khalil was unarmed. Soon afterward, his death is a national headline. Some are calling him a thug, maybe even a drug dealer and a gangbanger. Protesters are taking to the streets in Khalil's name. Some cops and the local drug lord try to intimidate Starr and her family. What everyone wants to know is: what really went down that night? And the only person alive who can answer that is Starr. But what Starr does—or does not—say could upend her community. It could also endanger her life. Want more of Garden Heights? Catch *Maverick and Seven's* story in *Concrete Rose*, Angie Thomas's powerful prequel to *The Hate U Give*.

Model Rules of Professional Conduct Henry Holt and Company

The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

Losers American Bar Association

As media evolve and new formats emerge, journalism students face new challenges and need new advice. The Missouri Group confronts these issues in the new edition of *News Reporting and Writing*, teaching students how to work in the new world of digital journalism by using the enduring skills and current savvy that all

reporters need. With new annotated models tracking a story across multiple electronic formats, expanded coverage of writing for digital media, and integrated video clips that go beyond the printed book, *News Reporting and Writing* will leave students better-prepared than ever.

A Practical Guide for Computer-Assisted Reporting

HarperCollins

DON'T LET YOUR WRITING HOLD YOU BACK. When you're

fumbling for words and pressed for time, you might be tempted to dismiss good business writing as a luxury. But it's a skill you must cultivate to succeed: You'll lose time, money, and influence if your e-mails, proposals, and other important documents fail to win people over. The *HBR Guide to Better Business Writing*, by writing expert Bryan A. Garner, gives you the tools you need to express your ideas clearly and persuasively so clients, colleagues, stakeholders, and partners will get behind them. This book will help you: • Push past writer's block • Grab—and keep—readers' attention • Earn credibility with tough audiences • Trim the fat from your writing • Strike the right tone • Brush up on grammar, punctuation, and usage

Foundational Skills for a Digital Age Crown

In July 1997, twenty-five of America's most influential journalists sat down to try and discover what had happened to their profession in the years between Watergate and Whitewater. What they knew was that the public no longer trusted the press as it once had. They were keenly aware of the pressures that advertisers and new technologies were putting on newsrooms around the country. But, more than anything, they were aware that readers, listeners, and viewers — the people who use the news — were turning away from it in droves. There were many reasons for the public's growing lack of trust. On television, there were the ads that looked like news shows and programs that presented gossip and press releases as if they were news. There were the "docudramas," television movies that were an uneasy blend of fact and fiction and which purported to show viewers how events had "really" happened. At newspapers and magazines, celebrity was replacing news, newsroom budgets were being slashed, and editors were pushing journalists for more "edge" and "attitude" in place of reporting. And, on the radio, powerful talk personalities led their listeners from sensation to sensation, from fact to fantasy, while deriding traditional journalism. Fact was blending with fiction, news with entertainment, journalism with rumor. Calling themselves the Committee of Concerned Journalists, the twenty-five determined to find how the news had found itself in this state. Drawn from the committee's years of intensive research, dozens of surveys of readers, listeners, viewers, editors, and journalists, and more than one hundred intensive interviews with journalists and editors, *The Elements of Journalism* is the first book ever to spell out — both for those who

create and those who consume the news — the principles and responsibilities of journalism. Written by Bill Kovach and Tom Rosenstiel, two of the nation's preeminent press critics, this is one of the most provocative books about the role of information in society in more than a generation and one of the most important ever written about news. By offering in turn each of the principles that should govern reporting, Kovach and Rosenstiel show how some of the most common conceptions about the press, such as neutrality, fairness, and balance, are actually modern misconceptions. They also spell out how the news should be gathered, written, and reported even as they demonstrate why the First Amendment is on the brink of becoming a commercial right rather than something any American citizen can enjoy. The *Elements of Journalism* is already igniting a national dialogue on issues vital to us all. This book will be the starting point for discussions by journalists and members of the public about the nature of journalism and the access that we all enjoy to information for years to come.

An Easy-to-Use Guide with Clear Rules, Real-World Examples, and Reproducible Quizzes Cengage Learning

NWR Nine is the 25th Anniversary Edition of this classic text. Teaching by example, with vivid writing, Mr. Mencher teaches students the fundamentals of reporting and writing news.

Writing and Reporting across the News Media Post Hill Press
Broadcast News Writing, Reporting, and Producing, 7th Edition is the leading book covering all aspects of writing and reporting the news. It identifies the key concepts and terms readers need to know in the news gathering and dissemination process, and

provides practical, real-world advice for operating in the modern day newsroom. New to the seventh Edition are profiles of working journalists who give readers a glimpse into the working life of modern reporters, producers, and directors. This new edition also covers important aspects of the use of social media, drone journalism, and digital technology. A new chapter on portfolio development will assist readers in developing the skills to advance in their careers. The text has also been updated to reflect new industry standards in modes of information gathering and delivery, writing style, and technology. Additional features include: Key words at the start of every chapter, identifying important terms and definitions; End of chapter summaries, which allows readers to review the chapter's main points; "Text Your Knowledge", which helps readers quiz themselves on important concepts; Chapter-by-chapter exercises, which readers can apply to a chapter's themes; A companion website featuring video tutorials of necessary skills for journalists, including how to arrange lighting structures, how to hold a microphone, and how to properly conduct an interview.

News Writing and Reporting for Today's Media SAGE Publications

Prepare to be shocked. From the man *The Wall Street Journal* hailed as a "Swifteen satirist" comes the most shocking book ever written! *The Borowitz Report: The Big Book of Shockers*, by award-winning fake journalist Andy Borowitz, contains page after page of "news stories" too hot, too controversial, too -- yes, shocking -- for the mainstream press to handle. Sample the

groundbreaking reporting from the news organization whose motto is "Give us thirty minutes -- we'll waste it."

Scholastic Journalism Penguin

The workbook to accompany *News Reporting and Writing 11th edition* offers students hundreds of class-tested exercises to practice and master the core concepts and skills discussed in the textbook.

Workbook for News Reporting and Writing Modern Library

Selected by the Modern Library as one of the 100 best nonfiction books of all time From the Modern Library's new set of beautifully repackaged hardcover classics by Truman Capote—also available are *Breakfast at Tiffany's* and *Other Voices, Other Rooms* (in one volume), *Portraits and Observations*, and *The Complete Stories* Truman Capote's masterpiece, *In Cold Blood*, created a sensation when it was first published, serially, in *The New Yorker* in 1965. The intensively researched, atmospheric narrative of the lives of the Clutter family of Holcomb, Kansas, and of the two men, Richard Eugene Hickock and Perry Edward Smith, who brutally killed them on the night of November 15, 1959, is the seminal work of the "new journalism." Perry Smith is one of the great dark characters of American literature, full of contradictory emotions. "I thought he was a very nice gentleman," he says of Herb Clutter. "Soft-spoken. I thought so right up to the moment I cut his throat." Told in chapters that alternate between the Clutter household and the approach of Smith and Hickock in their black Chevrolet, then between the investigation of the case and the killers' flight, Capote's account is so detailed that the reader comes to feel almost like a participant in the events.
