LIN CASSIUS

A Practical Guide to the Runes Llewellyn Worldwide Limited

Asking where the runes come from is a bit like asking in what year did Adam and Eve leave the Garden of Eden? Yet, they are connected questions. Linguistically, runes come from Phoenician roots that split into Greek and Italic to eventually form the runes with Hebrew and Arabic on the other side of the family tree. This is the Indo-European Family of Languages. The languages and the stories they tell are connected at the core and this book attempts to weave them back together. Mythology that is equally as ancient is essential to understanding the runes. You will find the stories of Norse mythology, Eastern philosophy, and even Native American traditions fleshed out in the Glossary of this book. Because it is all connected.

Nordic Magic Healing Weiser Books

Learn to read the runes as they were used in the nine worlds linked by Yggdrasil, the World Tree. This is an all-round manual for those who want to read the runes for personal guidance or even as part of a professional consultant's package of divinatory skills. Reading the Runes includes the official rune course material for the British Astrological and Psychic Society. It covers the history, mythology, and meaning behind each rune and explains combinations within readings. Farnell also offers practical advice for making and energizing your runes, and she suggests numerous traditional rune spreads to suit a variety of purposes.

Runes and Magic Weiser Books

Runework authority and author Edred Thorsson, explores the riddle of the runes. Combing historical lore with a detailed investigation, Runelore focuses on the esoteric aspects of the runic tradition. In Part One, Historical Lore, Thorsson uses archaeological evidence to explain where the runes come from, what they mean, and how they evolved. In Part Two, Hidden Lore, he takes a more psychological view of the runes and looks at the entire cosmology of the Old Norse to explain the role runes played and how they were used over time. Included are specific sections on rune magic and divination, rune poems, runic numerology, and concise explanations of the mysteries of the 24 runes. Reprinted with a newly designed cover, Runelore offers a complete picture of the Runes.

The Secret Practices of the German Rune Magicians Weiser Books

This book reveals, for the first time in the English language, the long hidden secrets of the German rune magicians who practiced their arts in the beginning of this century. Most of their work has been unavailable even in German for several decades. Sexual runic procedures, runic dance, yoga, gestures and more are covered in this well-researched book.

The Secret Practices of the German Rune Magicians Inner Traditions

This complete guide shows you how to: make your own runes; load the rune with harmonious power; prepare the optimum setting for a rune reading. Includes general rune meanings, divination tables, the positive and negative aspects of each rune, itslinguistic component and phonetic value, runic layouts, and sample readings. By the author of the best-selling, Futhark: Handbook of Rune Magic.

The Elder Futhark in Magic, Astral Projection, and Spiritual Development Simon and Schuster

An accessible, in-depth exploration of the runes as a living spiritual tradition. Diana Paxson has distilled her many years of experience working with the runes into this essential source book. Readers will learn the historical meaning of each individual rune and its use and meaning now, in contemporary culture. But, Paxson reveals, the real power of the runes comes from internalizing them and using their symbols as sources of wisdom and power. At the end of each chapter are rituals and spells for all levels of ability that aim to help internalize the attributions, meanings, symbolism, and use of the runes. Everything regarding runes is covered in this definitive workbook, from the history of runes and how to make your own rune sets, to how to work with them on a psychic, spiritual, and magical level.

Runelore Weiser Books

Unlock the Secrets of Your Past, Present, and Future Connect with your intuition, discover more about your personality, and solve problems using the power of runes. With professional fortune-teller Alexandra Chauran as your guide, you can learn how to ask for and interpret the answers to your biggest life questions concerning love, your career, health, and many other important topics. A solid reference for both beginners and adepts, *Runes for Beginners* covers everything from rune meanings and memorization techniques to making your own runes. With help from diagrams, practical exercises, and phonetic breakdowns for all the runic letters, you'll develop a path most beneficial to your goals and improve your life. You'll even uncover traits about yourself that you may have never known.

Having difficulty figuring out what the runes are trying to tell you? The Book of Rune Secrets is a contemporary vision of the Elder Futhark runes, destined to become an essential part of any rune library. Share in an inspiring vision of our place in the cosmos and harness the power of the runes as never before. With astonishing clarity, this volume builds on the ideas of teachers such as Freya Aswynn, Edred Thorsson and Diana L. Paxson, but departs from old thinking and dares to explore the future of the runes themselves!

A Complete Guide to Discover the Ancient Viking Oracle Through the Elder Futhark Runes. Reading Runes, Magic, Divination FutharkA Handbook of Rune Magic

Through nine "lessons" or stages in a graded curriculum, this book takes the rune student from a stage in which no previous knowledge of runes or esoteric work is assumed to a fairly advanced stage of initiation.

Their Uses in Divination and Magick Ryland Peters & Small

Introduction to the use of runes as a practical script for a variety of purposes in Anglo-Saxon England.

Theory and Practice of Norse Divination Llewellyn Worldwide Limited

Living Runes provides a thorough examination of the Norse runes that will challenge the experienced rune worker to deepen his or her understanding of these mysteries. The book begins with an explication of the story of Odin, the Norse god who won the runes by sacrificing himself on the World Tree. It continues by examining each of the individual runes in turn, both the Elder Futhark and the lesser-known Anglo-Saxon Futhorc. Each rune is studied not only from a historical viewpoint but also from the perspective of a modern practitioner. You will be introduced to the practice of galdr as well as the magical use of the runes and the proper way to sacrifice to them and read them for divination. Most importantly, the book specifically addresses the runes as living spirits and provides guidance on developing a working relationship with these otherworldly allies. Note: Living Runes was previously published as *Runes: Theory and Practice* (New Page, 2009) but for several years has only been available from Lightning Source via Ingram.

A project long in demand, *Rune-Song* consists of unique contents not available in previous publications. All the rune poems are recited in their original languages. Instructions for pronouncing ancient Germanic, Old English and Old Norse are also included. This also contains a complete operative system of vocal rune magic, or galdor, previously unrevealed.

[A Guide to Reading Runes in Divination, Rune Magic, and the Meaning of the Elder Futhark Runes](#) Llewellyn Worldwide Limited

The Galdrastafir that survive in various manuscripts from the Late Middle Ages until the 20th Century give us a glimpse of a rich tradition of magic in the Norse world. From the formulation of runes into bindrunes and ever more complex magical symbols, to the incorporation of references to biblical seals and elements of the Christian faith, the relationship between traditional magic and religious symbolism is a complex and varied one. From the positive invocations of good luck, success, wealth, etc. to the protection of one's person or property from theft or magic, to darker and more morally complex intentions, these symbols are shown here to provide a broad view of the people's concerns and how the practitioners of magic attempted to address these concerns in Iceland in the Late Medieval and Early Modern periods. The things our ancestors wished for, the concerns they sought

solution to, the magic they believed in to make it happen, and the way the symbols and spells were formulated and practiced, tell us about who we are, and where we have come from.

[A Handbook of Rune Magic](#) Rune-Net Press

Many people are turning to the runes (or futhark) because they offer immediate, practical help for day-to-day affairs. Esoteric Rune Magic enriches the runic tradition by revealing the secret of how to astrally project into the runes. No magical tools are required -- use the practices and meditations described here to develop your spirituality in your own way.

[A Down-to-earth Guide to the Runes](#) Boydell Press

This is the first and only book (which I am aware of) that is exclusively dedicated to a comprehensive system of bind runes created from the Elder Futhark! At a glance, it provides the following: * Easy-to-read and easy-to-use information with no expert rune knowledge required * Contains 24 black and white Elder Futhark bind runes, each with an unique stanza * Discusses the bind runes as active tools for magick, spiritual and/or self-empowerment rituals * Guidance on the purpose and use of each bindrune * Designs include additional western alchemical elements as well as a novel alchemical symbol of my own design My studies into the Elder Futhark, which have fascinated me since childhood, have been converted into a coherent system of bindrunes for everyday use without the requirement of expert knowledge. I have named this bindrune project; the Celestial Rune Sigils. It started as a set of magickal tools with which to facilitate self-improvement through the exploration of spirituality. Subsequently, I have transformed the bindrunes into a set of 24 black and white sigils, representative of their origins from the 24 Elder Futhark Runes. The sigils were initially featured on the Celestial Rune Sigils oracle deck (more details on my website) and now they have been converted into book format as well! In this book I provide guidance on the crafting, uses and invocation of the Celestial Rune Sigils. These sigils are not merely meant for use in divination, but rather they have a more active role with each sigil having a specific intention and contribution towards metaphysical, spiritual and magickal rituals. Therefore, the Celestial Rune Sigils are not only restricted to tarot readers or oracle enthusiasts. They have been created for the larger metaphysical community and would be of special interest to our energy workers and magick wielders. They are appropriate for most ages, including the very young and those who are wiser, since they can be used for both personal rituals and to assist clients during various healing and/or magick sessions. The Celestial Rune Sigils represent a metaphysical, spiritual or magickal toolbox, with each sigil representing a different metaphysical tool. Each sigil can be used in this way, much as one would use a wand, crystal or other spiritual tool. There is a lot of freedom as to how precisely to apply each card and I hope that the practitioners who make use of this book will find their own intuitive ways of applying each of the sigils during their spiritual journeys and magickal rituals. I appreciate any feedback, comments and/or reviews about this book as I am constantly striving to improve on the system and to make it relatable to all my fellow rune enthusiasts!

[Odin](#) Boydell Press

A new edition of the text originally published in 1992 by Aquarian Press under the title of *Rune Magic*. The book provides a complete introduction to the history and practice of rune use suitable for the beginner and the more experienced practitioner.

Click the 'BUY NOW' button to start your manifesting journey and creating the life of your dreams.

A Collection of Icelandic Magical Staves Asatru Fok Assembly

Odin is arguably one of the most enigmatic and complex characters in Norse mythology. Revered since the Viking Age, Odin has been called the greatest of the gods--the god of words and wisdom, runes and magic, a transformer of consciousness, and a trickster who teaches truth. He is both war god and poetry god, and he is the Lord of Ravens, the All-Father, and the rune master. *Odin: Ecstasy, Runes, and Norse Magic* is the first book on Odin that is both historically sourced and accessible to a general audience. It explores Odin's origins, his appearances in sagas, old magic spells, and the Poetic Edda, and his influence on modern media, such as Tolkien's Lord of the Rings trilogy. Each chapter features suggestions for rituals, exercises, and music, so readers can comprehend and become closer to this complicated god. Author Diana Paxson, an expert on Viking-era mythology, provides a complete portrait of Odin and draws on both scholarship and experience to provide context, resources, and guidance for those who are drawn to work with the Master of Ecstasy today.

[First International Edition](#) Macmillan

This guidebook will help you discover the oracular nature of the runes and how to use them as a magickal tool for insight, protection, and luck.
