Global Underwater Explorers - YouTube Gue Cave Diving Manual
 Written as the manual for GUE's Cave 1 course, this work is one in a series of GUE manuals that seek to establish a baseline for fundamental and advanced diving practices. The overriding assumption tying all these together is that there is a baseline of fundamental skills and procedures that promote safe, efficient, and ultimately fun diving. Beyond the Daylight Zone: The Fundamentals of Cave Diving ...
 Gue cave diving manual are a good way to achieve details about operating certain products. GUE CAVE DIVING MANUAL PDF - Amazon S3
 We are a leader in scuba education, having

developed numerous industry-first training protocols and utilizing an elite cast of diving educators. GUE provides training for non-divers, recreational divers, cave and technical divers, and instructors from other agencies, all in an effort to elevate the quality of training within the dive industry. GUE | Education, Conservation, Exploration
 GUE (Global Underwater Explorers) has recently published its first three "DIR" manuals: (1) Doing It Right: The Fundamentals of Better Diving --introduces DIR concepts to the beginning and advanced open water diver. (2) Getting It Clear: The Fundamentals of Technical Diving -- provides the foundation for all of GUE's advanced tech diving courses
