BERG CLARE

The Art of Scalability : Scalable Web Architecture ... The Art Of Scalability ScalableThe Art of Scalability is by far the best book on scalability on the market today. The authors tackle the

issues of scalability from processes, to people, to performance, to the highly technical. Whether your organization is just starting out and is defining processes as you go, or you are a mature organization, this is the ideal book to help you deal with scalability issues before, during, or after an incident.The Art of ScalabilityThe Art of Scalability provides a great summary of lessons learned while scaling two of the

largest internet companies in the history of the space, and it's a must-read for any executive at a hyper-growth company. What's more, it's well-written and highly entertaining. Art of Scalability, The: Scalable Web Architecture ... "The Art of Scalability is by far the best book on scalability on the market today.
