Published in 1937, it narrates the experiences of George Milton and Lennie Small, two displaced migrant ranch workers, who move from place to place in California in search of new job opportunities during the Great Depression in the United States. Of Mice and Men - Wikipedia In the novella as a whole, Steinbeck celebrates and romanticizes the bonds between men. The men in Of Mice and Men dominate the ranch and long, more than anything else, to live peaceful, untroubled lives in the company of other men. The only female character who has an active role in the book is Curley’s wife, who, significantly, Steinbeck never names, and identifies only in reference to her husband.
