Beloved I pray that you may prosper in all things and be in health, just as your soul prospers 3 John 2 (NKJV) It has been a dream of mine to prosper financially using biblical principles. I prayed about it, and then one morning, the Lord told me that it was time and that He would teach me. He instructed me to wait on Him every morning and to write down the things He taught me. I followed His instructions, guidance, and wisdom, writing it all down for a full year. This book is the result of our time together. To my surprise, this became a book of many books! The Lord would guide me to a specific book, teach me from it, and then move on to the next book. It was totally supernatural! As I followed the leading of the Lord, it became clear to me that God was taking me on a year-long journey of prospering my soul, which in turn would influence my financial situation. I learnt that I could not prosper in any given area unless my soul prospered in that area too, hence the book's title. This book takes many twists and turns, and even has a few surprises. Did I reach my goal of financial prosperity? You have to read it to find out!

### A Treasury of Insights on Our Savior, Lord, and Friend Rose Publishing

Believe it or not, as they stood at the foot of the cross, the original disciples who walked in close companionship with Jesus knew nothing of the real mission of the man they followed. They did not realize who Christ was, why He came, why He had to suffer, and what was to be gained by His suffering. They did not know what happened on the cross, or during the three days and nights in the tomb before His resurrection. They did not know why the incarnation was important, or that it even was an incarnation. All they could see was the undeserved suffering of their friend and rabbi. Now, legendary Bible teacher E. W. Kenyon reveals hidden truths there were not fully understood until the Pauline Revelation of the Epistles. Until God revealed these truths to the apostle Paul, no one understood why Christ came...why His death on the cross was necessary...or what exactly occurred in the tomb. They did not comprehend the good news: that because of these events, we now become the righteousness of God, people who can stand in God's presence without a sense of guilt, shame, or inferiority. This is the miracle of redemption and the miracle of New Creation. It is the confidence to overcome the devil, to heal disease, and to call Lazarus out of the tomb. To this day, far too many believers share the disciple's view of Jesus: a biographical account of the things He did, the words He spoke, and the suffering He endured. Because of this limited revelation, their Christian faith will experience the same fears and doubts the disciples were left with the day Jesus was crucified. Like the apostles at Pentecost, we must move beyond sense knowledge and into the Spirit realm. We must move beyond religion and into a living and active truth if we are to truly walk in a powerful and overcoming faith.
