SAWYER DEREK

The Shippers' Forum
James D. Phelan and the

Wilson Progressives of
California

This fully revised and
extended edition of James
Nickel's classic study
explains and defends the

conception of human
rights found in the
Universal Declaration of
Human Rights (1948) and
subsequent human rights
treaties. Combining

philosophical, legal, and political approaches, Nickel addresses questions about what human rights are, what their content should be, and whether and how they can be justified.

The Lumber Manufacturer and Dealer Indiana University Press

ÒA factual record assembled in depth, this is an important contribution to the archives of integration and nondiscrimination.Ó

ÑPublishers WeeklyÓ . . . well-researched and

informative . . . ÓÑJournal of Southern HistoryÓ[Reed's] book brings a fascinating band of progressive Southerners into focus, some of them for the first time, and follows them from the late thirties into the sixties. They bear following, and remembering. So does this book.Ó

ÑSouthern Changes Congressional Record Index Rowman & Littlefield

"Sheldon interweaves Madison's intellectual development with his

political career: the one the warp, the one the weft, of his mind... His greatest contribution is to emphasize John Witherspoon's Scottish Presbyterian influence during Madison's undergraduate days at Princeton." -- Times Literary Supplement

The American Lawyer
The Congressional Record
is the official record of the
proceedings and debates
of the United States
Congress. It is published
daily when Congress is in
session. The
Congressional Record
began publication in
1873. Debates for
sessions prior to 1873 are
recorded in The Debates
and Proceedings in the
Congress of the United
States (1789-1824), the
Register of Debates in
Congress (1824-1837),

and the Congressional
Globe (1833-1873)
