JANIAH MILLER

Five Days That Shocked the World Cathy Jackson
 A Pulitzer Prize-winning doctor, reporter and author of War Hospital reconstructs five days at Memorial Medical Center after Hurricane Katrina destroyed its generators to reveal how caregivers were forced to make life-and-death decisions without essential resources. Reprint. A best-selling book. On the NYT list of 10 Best Books of 2013.
Life and Death in a Storm-ravaged Hospital Bantam
 'A twisty-turny, he-said, she-said thriller that kept me gripped until the fantastic shock ending! - bestselling author Jackie Kabler
 'Deliciously twisted' Red 'Atmospheric' Good Housekeeping
Thirty-Five Days to Breakthrough Yale University Press
 In the momentous days from April 28 to May 2, 1945, the world witnessed the death of two Fascist dictators and the fall of Berlin. Mussolini's capture and execution by Italian partisans, the suicide of Adolf Hitler, and the fall of the German capital signaled the end of the four-year war in the European Theater. In Five Days That Shocked the World, Nicholas Best thrills readers with the first-

person accounts of those who lived through this dramatic time. In this valuable work of history, the author's special achievement is weaving together the reports of famous and soon-to-be-famous individuals who experienced the war up close. We follow a young Walter Cronkite as he parachutes into Holland with a Canadian troop; photographer Lee Miller capturing the evidence of Nazi atrocities; the future Pope Benedict returning home and hoping not to get caught and shot after deserting his infantry unit; Audrey Hepburn no longer having to fear conscription into a Wehrmacht brothel; and even an SS doctor's descriptions of a decadent sex orgy in Hitler's bunker. In skillfully synthesizing these personal narratives, Best creates a compelling chronicle of the five earth-shaking days when Fascism lost its death grip on Europe. With this vivid and fast-paced narrative, the author reaffirms his reputation as an expert on the final days of great wars.

Macmillan

The last several years had been tough for Serenity Rankin. She knew marrying Jack was going to be difficult. She was black, and a Democrat; Jack was white, rich and a Republican, working for the most powerful Senator on the Hill. They were in love. Then Jack deserted her, leaving her to care for their autistic son,

Charlie, who was no ordinary child. Determined to save her marriage and get help for Charlie, Serenity sets out to find Sophia, the mysterious healer of a subculture group, Unity for Oneness (UFO), who she believes is her only salvation. Little did Serenity know that she was being caught up in the biggest chess game of life.

How World War II Became a Nuclear War Xlibris Corporation

The harrowing true story of a high-school senior, her parents, her secret online relationship with a handsome, manipulative stranger, and her well-laid plan to leave home and country to marry a man in Kosovo she thought she loved. The Baldwins were a strong, tight-knit family living in Texas. When their seventeen-year-old daughter, Mackenzie, met Adam in an online chat room, she fell for his good looks, his charm, and his respectful conversation. He lived in Kosovo, and they began talking regularly. The more attached Mackenzie became to Adam, the more detached she became from her family. Mackenzie's parents, John and Stephanie Baldwin, had no clue there was a man behind their daughter's sudden change in personality, her surprising interest in Islam, and her withdrawal from friends and family. When Mackenzie's attachment to Adam increased and they became "engaged," Mackenzie started making plans to fly secretly to Kosovo and marry Adam. But twenty-five days before Mackenzie was scheduled to leave the country, three friends in whom Mackenzie had confided told Mackenzie's father. Through the help of their pastor, John Baldwin contacted the FBI and asked for help. The FBI did not believe Adam was involved with ISIS or that he was trying to radicalize her, but they were concerned about Adam's intentions, as that part of Kosovo was known for sex-trafficking and money scams. With just 72 hours left before Mackenzie's planned departure, three FBI agents confronted her and urged her to stay. Told from the viewpoint of both father and daughter, *Almost Gone* allows us to walk with this family through Mackenzie's network of lies and deceit and John and Stephanie's escalating bewilderment and alarm. More than a cautionary tale, this is the story of unconditional parental love and unwavering faith, and how God helped a family save their daughter from a relationship that jeopardized not only her happiness, but also her safety.

Five Days in Paris MacDonald Family Trilogy

When bright but tongue-tied David sees the magnetic Camille at a party, he plays it safe, asking his smooth and charming best friend, Alex, to make the introduction. But even though David was the first to notice Camille, it's ever-confident Alex who walks away with the girl. Painfully aware of what he has lost through his hesitant, overcautious approach to life, David leaves home in search of a new beginning. But neither distance nor time can erase the memory of Camille. Buoyed by a fresh perspective and newfound self-assurance, David is ready to face the would-be love of his life again and finally act on his feelings. But what happens when love gets in the way of lifelong friendship? In the tradition of Nick Hornby, Roddy Doyle, and Michael Chabon, Chris Binchy delivers a witty and wise tale of the misfortunes of bad timing and the power of love.

Five Days in August eBookIt.com

Unsure. That's how I'm feeling about my entire life. Just when everything's good and I have it all under control, my girl Chelsea decides she's going to leave me for the summer. Despite my disappointment, I have to support her. It's what she wants, an opportunity she can't say no to and no way will I be the one to stop her. I love her too much to hold her back. Opportunities are happening for me too, though. A big one that my brother-in-law Drew says I can't pass up. I'm working extra hard. So is Chelsea. It's like we don't have any time to get together. We keep making the same promise—only five more days until we see each other

again. But we keep breaking that promise. Is our relationship strong enough to survive all of these changes?

Five Days Left Scribner

This story takes place in Dublin, Ireland where the culture, business practices, government and banking ethics of 2003 through 2008 could well have allowed this fictional tale to be a reality. We will never know. April, 2007. Peter and Liam Higgins along with their wives have made four decisions. First, they have acquired all the detailed family information they need. Two, their procedures are simple and low risk. Three, they have acquired all necessary identifications with all equipment in place. Four, they will kidnap the children. The three grandparents of the four children are wealthy and will have no problem wiring nine million Euros to a Swiss bank account for the children's release. It is because most of the available millions have never been reported for tax that the families will not contact the police nor undertake any effort to identify the kidnapers. The children and their Nanny are comfortably housed in a warehouse with Five Days provisions. Kidnapped after school on a Friday their food runs out at noon Wednesday. The money must be deposited by Tuesday as the kidnapers want twenty-four hours before wiring the location of the children. It is up to the parents whether or not the children go hungry. Their plan is successful with most of the money changed into stocks and United States T-bills. The parents get word of the children's location by e-mail from Frankfurt, Germany. One Higgins family heads for Spain, the other for the United States. The greed that permeated Dublin's elite has allowed the Higgins to commit the perfect crime. It is learned one of the grandparents, Seamus Mc Shane, has hired a London hit man to get back his share of the money and eliminate the threat of additional blackmail by the kidnapers. Knowing how Mc Shane would react a private detective, Robert Sullivan, has been hired by one of the families to try and identify the kidnapers and following learning of Mc Shane's action protect them from harm. It is up to Robert to locate Peter and Liam Higgins before the hit man does and make sure they are not harmed as that would trigger the family's tax frauds becoming public. Exposure of the incriminating evidence could ruin the three families. Criminal prosecutions would be the result. Will Robert Sullivan be successful?

5 Days to A New Marriage Onyx Books

There comes a point in life when you come to a crossroad between Gods will for you, as you know it, and current circumstances you're faced with. Making the right choices in the right timing can often be intimidating and unclear. Many times in each of our lives, we have secret strugglethings we cannot share with others or even things we really don't know that exist deep within our spirits. Ultimately, we end up in a struggle between our Spirit and our flesh where our relationship with God and our assignment for the kingdom often hangs in the balance. Its time to break those strongholds and shift gears toward Gods plans for you. You are more than a conqueror through Christ Jesus! Christ won the victory at the cross, and he ever intercedes for your victorious triumph through lifes processes to lay hold on the promise. The road to divine destiny, though, can be laden with seemingly insurmountable difficulties that you feel you cant overcome. But take courage and know that there is no significant gain without pain. Get ready to catapult your spiritual life into maturity and abounding growth through these pages of inspirational counsel. Let this guide challenge you to reflect on your personal experiences and discover how to break through vicious cycles in your life. Stop walking in circles and get on the path to accomplishing your purpose. Give God the chance to lead you through Thirty-Five Days to Breakthrough! *Thirty-Five Days to Breakthrough* is a devotional filled with inspirational messages

and prayers to give you the tools you need to break through those stubborn circumstances in your life. Whatever your struggle, these daily devotionals challenge you to let go of defeat and frustration and grab hold of God's perfection and total restoration for your life. Let this be a map on your journey into the depths of your spirit, vowing to overcome everything that has held you hostage. Shatter the glass walls in your life and walk into your destiny. Don't put yourself or destiny on the back burner any longer. Instead, gain the tools necessary to shift your life into its place called destiny! Every day of this book, you are challenged, reproved, and encouraged to search deep within your soul and consult your Father in heaven about your life and your current situation. How to Sell Your Home in 5 Days Simon and Schuster
From Ninie Hammon, the sorceress of supernatural suspense comes *Five Days in May*, a tense, prophetic nightmare that will keep your eyes glued to the text through the very last page. Three members of the McIntosh family are setting appointments with death: Friday, May 10, 1963. That's the day an F5 tornado will rip across Oklahoma, obliterating everything in its path. Pastor Mac McIntosh lost his faith when his wife died — it's time to end the charade. But when a mysterious inmate called Princess is set to be executed, he grudgingly agrees to meet with her in her final days. Princess has watched Mac and his family for years, looking out through someone else's eyes. She speaks to Mac's heart with insight and grace, while in her own heart she harbors a secret she's determined to carry to her grave about the little sister she confessed to beheading 14 years ago. Princess knows the monster tornado is coming. She calls it The Big Ugly and she pleads with Mac to run! But by then, it's too late. For all of them.

Proceedings and Debates of the Constitutional Convention of the State of New York, Held in 1867 and 1868 in the City of Albany PageFree Publishing, Inc.

In Danielle Steel's beloved #1 New York Times bestselling novel, two strangers meet unexpectedly and fall in love in the City of Light. As president of a major pharmaceutical empire, Peter Haskell has everything: power, position, and a family that means everything to him. Compromise has been key in Peter Haskell's life, and integrity is the base on which he lives. Olivia Thatcher is the wife of a famous senator. She has given to her husband's ambition and career until her soul is bone-dry. She is trapped in a web of duty and obligation, married to a man she once loved and no longer even knows. Accidentally, they meet in Paris. Their totally different lives converge for one magical moment in the Place Vendôme, as Olivia carefully, silently, steps out of her life and walks away. Peter follows her, and in a café in Montmartre, their hearts are laid bare. Peter, once so certain of his path, is suddenly faced with a professional future in jeopardy. Olivia is no longer sure of anything except that she can't go on anymore. Five days in Paris is all they have. They go back to their separate lives, but nothing is the same. Everything they believe is put on the line, until they each realize they must stand fast against compromise and face life's challenges head-on. Danielle Steel's classic novel is about honor and commitment, love and integrity—and the strength to find hope again. *Five Days in Paris* will change your life forever. **BONUS:** This edition contains an excerpt from Danielle Steel's *Hotel Vendome*.

The Mystery of My Mother's Disappearance as a Child Dog Ear Publishing

"An illuminating portrait of Baltimore in the aftermath of the April 2015 death of Freddie Gray . . . Readers will be enthralled by this

propulsive account."—Publishers Weekly **LONGLISTED FOR THE PORCHLIGHT BUSINESS BOOK AWARD • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY LIBRARY JOURNAL** From the New York Times bestselling author of *The Other Wes Moore*, a kaleidoscopic account of five days in the life of a city on the edge, told through eight characters on the front lines of the uprising that overtook Baltimore and riveted the world. When Freddie Gray was arrested for possessing an "illegal knife" in April 2015, he was, by eyewitness accounts that video evidence later confirmed, treated "roughly" as police loaded him into a vehicle. By the end of his trip in the police van, Gray was in a coma from which he would never recover. In the wake of a long history of police abuse in Baltimore, this killing felt like the final straw—it led to a week of protests, then five days described alternately as a riot or an uprising that set the entire city on edge and caught the nation's attention. Wes Moore is a Rhodes Scholar, bestselling author, decorated combat veteran, former White House fellow, and CEO of Robin Hood, one of the largest anti-poverty nonprofits in the nation. While attending Gray's funeral, he saw every stratum of the city come together: grieving mothers, members of the city's wealthy elite, activists, and the long-suffering citizens of Baltimore—all looking to comfort one another, but also looking for answers. He knew that when they left the church, these factions would spread out to their own corners, but that the answers they were all looking for could be found only in the city as a whole. Moore—along with journalist Erica Green—tells the story of the Baltimore uprising both through his own observations and through the eyes of other Baltimoreans: Partee, a conflicted black captain of the Baltimore Police Department; Jenny, a young white public defender who's drawn into the violent center of the uprising herself; Tawanda, a young black woman who'd spent a lonely year protesting the killing of her own brother by police; and John Angelos, scion of the city's most powerful family and executive vice president of the Baltimore Orioles, who had to make choices of conscience he'd never before confronted. Each shifting point of view contributes to an engrossing, cacophonous account of one of the most consequential moments in our recent history, which is also an essential *cri de coeur* about the deeper causes of the violence and the small seeds of hope planted in its aftermath.

Interview with OCD: Forty-five Days to End of a New Beginning Sterling & Stone LLC

The author/researcher explores the process of self-healing during his encounters with OCD using a unique self-search method and integral psychology framework. The book contains the unaltered self-dialogue (self-interview) scripts of the doctoral research. The dialogue is designed to capture the sensual attention through manifestation of OCD's common attributes. Through heightened awareness, author invites us to pathways to self-discovery and change, exploring an experience in and by itself, rather than numbing it with the next dose of treatment. Although, this book is self-contained, it demonstrates the application of the self-healing method described in the author's doctoral dissertation entitled, 'Heuristic Self-Search Inquiry into One Experience of Obsessive-Compulsive Disorder'. Readers are strongly encouraged to read the dissertation, which is provided as a free supplement, to gain a fuller understanding of the method. The book contains a link to download the dissertation (no registration or membership is required).

Five Days in Summer Five Days Until You

The lives of four people in Graham, Oklahoma, change forever as a Category 5 tornado approaches.

Five Days to a Security Breakdown! Penguin

Five Days Until You Monica Murphy

Five Days Apart Createspace Independent Pub

Five Days in October is the story of thirteen-year-old Abigail Morgan, who has finally reached the point in her life where she will no longer tolerate her father's sexual abuse. Her decision to leave home results in a journey fraught with unexpected twists and turns, most of which result from her father's power and influence as the county's circuit court judge. Judge Jonathan Morgan, a third-generation politician, has high political aspirations and wants Abi back home in his control before this becomes public knowledge and ruins his political future. Abi's mother, Rebecca, has been a lush for years. Shaken from her alcoholic doldrums by Abi's revelation, Rebecca embarks on her own journey in an attempt to become the mother Abi needs. Abi and her mother travel their journeys simultaneously in hopes of being reunited and for the justice that always seems to elude them. Judson B. Emens was born and raised in Tuscumbia, Alabama. He graduated from the University of North Alabama in 1971, majoring in History and Sociology. Shortly thereafter, Judson began his career at the Alabama Department of Human Resources where he spent the next thirty-three years. For twenty-nine of those years, he was the Child Welfare Supervisor, concentrating his efforts in the areas of Child Abuse/Neglect, Foster Care, Protective Services and Adoption. Throughout his life, Judson has seen, first-hand, how tough life can be for a child growing up in a dysfunctional family. In *Five Days in October*, his first novel, Judson has relied on his personal experience to create this fascinating and overwhelming story. This novel quickly captures the reader in a compelling drama of a teenaged girl trapped in a web of political ambition, power, corruption and abuse.

Third Edition Workman Publishing

It was supposed to be a fling. After events beyond her control upend the course of Amber's career, she decides never to return to the band she helped found, Not My Best Day. She's done with the rock-star life, the highs of performing weighed down by the lows of grueling schedules, endless travel, and the uncomfortable intimacy of living two feet from everyone else on the bus. But when her replacement has to bail a week before the new tour starts, the band asks her to fill in temporarily. What else can she do? They're still family. Rob, as the other new member in their revamped lineup, is doing his best to fit in. His time with Not My Best Day has been defined as much by Amber's absence as his presence. When she returns in their time of need, he sees what the others don't--how much it's costing her to save them from disaster. When his supportiveness becomes attraction, and mutual attraction becomes a fling, Rob faces decisions he never expected. He may doubt their secret affair is good for the band, or even for himself, but he's certain it's what's best for her. But what becomes of them when the tour is over? Can they really go their separate ways like nothing ever happened?

Five Days In May Dell

Monica Murphy returns with her most beloved characters, Drew and Fable, in this eBook original 40,000-word novella that brings her bestselling series full circle. Fantasy. How I ended up with NFL player Drew Callahan, the guy every woman wants, is beyond my

wildest dreams. All I know is that once he chose me as his one and only, I sure wasn't looking back. I had past wounds and he showed patience and concern—even taking responsibility for my messed-up kid brother. Now, once again, he's found a way to blow my mind: an exotic wedding and honeymoon miles and miles away from home. What else could a girl ever ask for? Reality. Now the honeymoon's over. Drew's football schedule takes him on the road constantly, while I need to stay put and look after my brother until he finishes high school—because God knows our sorry excuse for a mother won't. I know Drew loves me with all his heart, and I'll always be over the moon about him. This just isn't how I imagined our life as newlyweds . . . dealing with the distance, missing him all the time. But we've gone through hard times before. We can get through this, too, right? We're Drew and Fable, together forever. At least I hope so. . . . Praise for Monica Murphy's *One Week Girlfriend* "A sweet and sexy read with a dash of angst. It will hook you from page one!"—*Under the Covers* "The author had me hooked within the opening pages. What a great debut novel by Monica Murphy! . . . All I have to say is pick up the book and be prepared for the roller coaster you are about to get on. . . . You will not want to miss this book and this author."—*Shh Moms Reading* "A deep and thought provoking story . . . Be on the lookout for Monica Murphy because I'm sure you'll be hearing more great things from her!"—*Mostly YA Book Obsessed* "An amazing read! . . . [I] can't wait to continue the emotional journey of Drew and Fable."—*A Bookish Escape*

Five Days in Summer PublicAffairs

"The New York Times bestselling authors of *Mrs. Kennedy* and *Me* share the stories behind the five infamous, tragic days surrounding JFK's assassination--alongside revealing and iconic photographs--published in remembrance of the beloved president on the fiftieth anniversary of his death. Clint Hill will forever be remembered as the lone secret service agent who jumped onto the car after President Kennedy was shot, clinging to its sides as it sped toward the hospital. Even now, decades after JFK's presidency, the public continues to be fascinated with the Kennedys--America's royal family. To mark the fiftieth anniversary of President John F. Kennedy's assassination, Hill recounts his indelible memories of those five days leading up to, and after, that tragic day in November 1963. Hill, as Jackie's guard, experienced those days firsthand. Alongside the famous photos everyone is familiar with, Hill provides a moment-to-moment narration evoking the feelings and emotions behind the images--clearing up the persistent conspiracy misconceptions along the way. He also shows us the little-seen photos of Jackie both before and after the terrible event, describing the poignant moments they shared, during that pivotal moment in history. Told movingly by a man who still wishes he could undo it all, *Five Days in November* is a rare and deeply personal look at the assassination that affected the entire world and changed the United States forever"--
