[In Defense of the Bible: A Comprehensive Apologetic for the Authority of Scripture](#) Routledge

The past thirty years have seen an unprecedented level of interest in early Christian biblical interpretation, from major scholarly initiatives to more popular resources aimed at pastors and general readers. The fields of Biblical Studies and Patristics/Early Christian Studies each arrived at the study of early Christian biblical interpretation largely from their own standpoints, and they tend to operate in relative isolation from one another. This book aims to bring the two fields into closer conversation, in order to suggest new avenues into the study of the deeply biblical dimension of patristic theology as well as the contribution that patristic exegesis can make to contemporary views of how best to interpret the Bible. Based on a multi-year consultation in the Society of Biblical Literature, *The Bible and Early Trinitarian Theology* features leading scholars from both fields, who bring new insights to the relationship between patristic exegesis and current strategies of biblical interpretation, specifically with reference to the doctrine of the Trinity. Following an account of how each field came to study patristic exegesis, the book offers new studies of Trinitarian theology in Old Testament, Johannine, and Pauline biblical texts and the patristic interpretation of them, combining the insights of modern historical criticism with classical historical theology. It promises to make a valuable contribution to both fields, suggesting several new avenues into the study of early biblical literature and the development of Trinitarian theology.

The Bible was everywhere in Shakespeare's England. Through sermons, catechisms, treatises, artwork, literature and, of course, biblical reading itself, the stories and language of the Bible pervaded popular and elite culture. In recent years, scholars have demonstrated how thoroughly biblical allusions saturate Shakespearean plays. But Shakespeare's audiences were not simply well versed in the Bible's content - they were also steeped in the practices and methods of biblical interpretation. Reformation and counter-reformation debate focused not just on the biblical text, but - crucially - on how to read the text. *The Bible on the Shakespearean Stage* is the first volume to integrate the study of Shakespeare's plays with the vital history of Reformation practices of biblical interpretation. Bringing together the foremost international scholars in the field of 'Shakespeare and the Bible', these essays explore Shakespeare's engagement with scriptural interpretation in the tragedies, histories, comedies, and

romances.

The Captive by Marcel Proust - Delphi Classics (Illustrated)
 Cambridge University Press

Many people today are quick to spout off bold claims that there is no way in which it can be said that the Bible really did come from God. In fact, they even imply that anyone who believes this is acting like a person who is mentally inept. However, it is the skeptic whose mental capacities need to be challenged because they refuse to look at the evidence that clearly reveals how the Bible really did come from God. Therefore, this book, *Did the Bible Really Come from God?* shares the 10 lines of solid logical evidence that proves how the Bible really did come from God and is unlike any other book on the planet. As you will see in this book, there is overwhelming evidence showing how there really is no need to question, *Did the Bible Really Come from God?* let alone cave into the false claims of the critic. Contrary to what society would say, yes, we can know for sure Christian that what we hold in our hands is indeed the Genuine Word of God!

 Understand God's Word in its Original Cultural Context
 The NIV First-Century Study Bible introduces you to an ancient world vastly different from your own, but rich in valuable life lessons. This Bible includes great tools to help answer your questions about life in Bible times and see how the ancient past holds applicable truths for life today. Including fascinating articles from Pastor Kent Dobson, unpacking the culture of Bible times, illuminating Scripture passages, and asking thoughtful questions along the way, this study Bible is a wonderful way to explore God's Word in its original Christian context and better understand the historical meaning of Scripture. Kent Dobson is the teaching pastor at Mars Hill Bible Church in Grandville, Michigan, where he initially served as the worship director. He has been featured on Biblical programs for the History Channel and the Discovery Channel. Kent fell in love with Biblical studies in Israel and had the privilege of learning from both Jewish and Christian scholars. After his time in Israel, he returned to the States to teach high school religion and Bible before responding to God's call to the pastorate. Today, he keeps his connection to the Holy Land strong, leading tours to Israel that combine study and prayer, inspired by the ancient discipline of spiritual pilgrimage. Features: Complete text of the accurate, readable, and clear New International Version Day in the Life articles, describing daily life in Bible times and Addressing the Text articles to help you dive deeper Word Studies expound upon original Hebrew words Study notes with writings from early church writers, rabbis, and extra-biblical sources Supplemental information on topics such as: Abomination that Causes Desolation, Antiochus IV Epiphanies, Conversion, Covenant, Dead Sea Scrolls, Essenes, Desert Law, Diviners in the Ancient World, Intertestamental Times, The Ethics

of War, The Shema, Life in the Diaspora, The Greek Lions, The Biblical View on Slavery, Did Moses write the Torah, The Spirit of YHWH, Zealots, Wine Making Full-color photographs, maps, and diagrams Book introductions and outlines

[A Guide for Personal, Professional and Business Users Including Application Software on CD-ROM](#) Wm. B. Eerdmans Publishing
 Plato and the Creation of the Hebrew Bible for the first time compares the ancient law collections of the Ancient Near East, the Greeks and the Pentateuch to determine the legal antecedents for the biblical laws. Following on from his 2006 work, *Berosus and Genesis, Manetho and Exodus*, Gmirkin takes up his theory that the Pentateuch was written around 270 BCE using Greek sources found at the Great Library of Alexandria, and applies this to an examination of the biblical law codes. A striking number of legal parallels are found between the Pentateuch and Athenian laws, and specifically with those found in Plato's Laws of ca. 350 BCE. Constitutional features in biblical law, Athenian law, and Plato's Laws also contain close correspondences. Several genres of biblical law, including the Decalogue, are shown to have striking parallels with Greek legal collections, and the synthesis of narrative and legal content is shown to be compatible with Greek literature. All this evidence points to direct influence from Greek writings, especially Plato's Laws, on the biblical legal tradition. Finally, it is argued that the creation of the Hebrew Bible took place according to the program found in Plato's Laws for creating a legally authorized national ethical literature, reinforcing the importance of this specific Greek text to the authors of the Torah and Hebrew Bible in the early Hellenistic Era. This study offers a fascinating analysis of the background to the Pentateuch, and will be of interest not only to biblical scholars, but also to students of

Plato, ancient law, and Hellenistic literary traditions.

The NIV Zondervan Study Bible, eBook Penguin

A gripping modern-day detective story about the scientific quest to understand the Oracle of Delphi Like Walking the Bible, this fascinating book turns a modern eye on an enduring legend. The Oracle of Delphi was one of the most influential figures in ancient Greece. Human mistress of the god Apollo, she had the power to enter into ecstatic communion with him and deliver his prophecies to men. Thousands of years later, Pulitzer Prize-winning journalist William J. Broad follows a crew of enterprising researchers as they sift through the evidence of history, geology, and archaeology to reveal—as far as science is able—the source of her visions.

The Guermentes by Marcel Proust - Delphi Classics (Illustrated) Zondervan

Marvel at the big story and savor each detail Biblical Theology allows you to ponder the individual stories and themes of Scripture while observing how they all fit together in God's grand biblical narrative. It answers the question, How has God revealed his word historically and organically? Biblical Theology studies the theology of individual biblical books and select collections within the Bible and then traces out themes as they develop across time within the canon. With three articles introducing Biblical theology and 25 articles unpacking key themes of Scripture, the NIV Biblical Theology Study Bible equips you to follow the progressive unfolding of God's story. Helpful introductions to books and sections of the Bible combined with 20,000 verse-by-verse study notes will guide you to a clearer understanding of every portion of Scripture. The NIV Biblical Theology Study Bible is printed in exclusive Zondervan NIV Comfort Print® typeface. Expertly designed specifically to be used for the New International Version (NIV) text, Comfort Print offers an easier reading experience that complements the most widely read modern-English Bible translation. Features: Complete text of the accurate, readable, and clear New International Version (NIV) Previously published as NIV Zondervan Study Bible 28 theologically rich articles by authors such as Tim Keller and Kevin DeYoung 20,000 verse-by-verse study notes Hundreds of full-color photos, more than 90 maps, and over 60 charts Comprehensive book introductions Over 60 trusted contributors Cross-references and the NIV Comprehensive Concordance Single-column, black letter edition Two ribbon markers Thumb indexed to make finding the books of the Bible easier Leathersoft cover lays flat when open Exclusive Zondervan NIV Comfort Print® typeface

NIV, Biblical Theology Study Bible, eBook Mohr Siebeck

Bible and Bedlam first critically questions the exclusion and stereotyping of certain biblical characters and scholars perceived as 'mad', as such judgements illustrate the 'sanism' (prejudice against individuals who are diagnosed or perceived as mentally ill) perpetuated within the discipline of Western biblical studies. Second, it seeks to highlight the widespread ideological 'gatekeeping' - 'protection' and 'policing' of madness in both western history and scholarship - with regard to celebrated biblical figures, including Jesus and Paul. Third, it initiates creative exchanges between biblical texts, interpretations and contemporary voices from 'mad' studies and sources (autobiographies, memoirs etc.), which are designed to critically disturb, disrupt and displace commonly projected (and often pejorative) assumptions surrounding 'madness'. Voices of those subject to diagnostic labelling such as autism, schizophrenia and/or psychosis are among those juxtaposed here with selected biblical interpretations and texts.

The Bible on the Shakespearean Stage Thomas Nelson Inc

The Bible Passages You've Always Wondered about--Explained What should we make of the Bible story about a talking donkey? What about the passage in Joshua where the sun and moon stood still? Should biblical practices like women wearing head coverings still be followed today? The Bible serves as the foundation for all of Christian life, crossing time and transcending cultures, yet many passages are perplexing. Providing fascinating historical

and scriptural insights, Eric J. Bargerhuff demystifies forty Bible verses and stories. Ranging from strange accounts, such as bears mauling forty-two boys (2 Kings 2), to hard-to-accept statements, such as Jesus saying we must hate our families in order to be his disciples (Luke 14), you will learn the context of each passage and how it applies to us today. Other fascinating accounts include · The Finger on the Wall · "Lead Us Not into Temptation" · Jeremiah's Linen Underwear · "No One Knows the Day or the Hour" · The Battle for Moses' Body · Death at Communion In all, this book will help you be more confident about interpreting all of God's Word accurately.

Sibyls, Scriptures, and Scrolls: John Collins at Seventy Bloomsbury Publishing

In Defense of the Bible gathers exceptional articles by accomplished scholars (Paul Copan, William A. Dembski, Mary Jo Sharp, Darrell L. Bock, etc.), addressing and responding to all of the major contemporary challenges to the divine inspiration and authority of Scripture. The book begins by looking at philosophical and methodological challenges to the Bible—questions about whether or not it is logically possible for God to communicate verbally with human beings; what it means to say the Bible is true in response to postmodern concerns about the nature of truth; defending the clarity of Scripture against historical skepticism and relativism. Contributors also explore textual and historical challenges—charges made by Muslims, Mormons, and skeptics that the Bible has been corrupted beyond repair; questions about the authorship of certain biblical books; allegations that the Bible borrows from pagan myths; the historical reliability of the Old and New Testaments. Final chapters take on ethical, scientific, and theological challenges— demonstrating the Bible's moral integrity regarding the topics of slavery and sexism; harmonizing exegetical and theological conclusions with the findings of science; addressing accusations that the Christian canon is the result of political and theological manipulation; ultimately defending the Bible as not simply historically reliable and consistent, but in fact the Word of God.
